

MARCH 2015

New pedestrian bridge on Beecroft Road, Beecroft

Roads and Maritime Services is proposing to improve road and pedestrian safety and connectivity in Beecroft as part of its Active Transport Pedestrian Bridges Program. We are currently seeking feedback from the community and stakeholders and have decided to extend the closing date to **Friday 10 April**.

Roads and Maritime is proposing a new pedestrian bridge on Beecroft Road near Beecroft Public School. The proposed bridge would:

- Provide a safe crossing for school children and other pedestrians
- Better connect the school and properties on the western side of Beecroft Road to the station, Community Centre and Beecroft Village Green
- Improve traffic flow along Beecroft Road by limiting the amount of time vehicles spend waiting for pedestrians to cross
- Include lifts on each side of Beecroft Road to ensure the bridge is accessible for people with limited mobility and prams.

We have provided artist's impressions to help you better understand our proposal.

Further information is available on our website at rms.nsw.gov.au by typing 'Beecroft pedestrian bridge' into the search bar.

Some members of the community have asked for more time to provide feedback on this proposal, so Roads and Maritime has extended the closing date to **Friday 10 April**. Please send your written comments to our delivery partner:

DownerMouchel
Attention: New Pedestrian Bridge, Beecroft
PO Box 6465
North Ryde NSW 2113

or email enquiries_nsw@downermouchel.com

Roads and Maritime will consider community and stakeholder feedback in finalising the design of the bridge and before making any decisions about this proposal. We will continue to keep you updated as the project progresses.

For more information please contact the project team on 1800 332 660 or email enquiries_nsw@downermouchel.com.
