

## Proposed pedestrian bridge on Beecroft Road, Beecroft

The NSW Government is funding this proposal as part of its Active Transport Pedestrian Bridges Program to provide safe access to Beecroft Public School.

Roads and Maritime Services invited the community and stakeholders to provide feedback on the proposal between February and April 2015. We would like to thank everyone who took the time to review the proposal and provide feedback.

We received comments from 59 people and organisations on 37 matters including location, visual amenity, consultation process and heritage and environmental impacts. After considering the feedback, Roads and Maritime has decided to continue developing the proposal.

We have prepared a consultation report which summarises the comments received and our responses. This report is available to view on our website at [rms.nsw.gov.au](http://rms.nsw.gov.au) by searching 'Beecroft pedestrian bridge'.

To request a copy of the report please contact our delivery partner DownerMouchel on 1800 332 660 or email [enquiries\\_nsw@downermouchel.com](mailto:enquiries_nsw@downermouchel.com).

### What happens next?

Roads and Maritime is preparing a Review of Environmental Factors to outline the possible impacts of the proposal and the steps we need to take to reduce them. We will seek your feedback on the expected impacts in the coming months as more information becomes available.
