

Night work on Princes Highway from Berry to Bomaderry from Monday 19 April

The NSW Government is upgrading the Princes Highway between Berry and Bomaderry to improve safety, increase road capacity and improve traffic flow.

What are we doing?

We will be carrying out rolling pavement works, landscaping and line marking between Mullers Lane at Berry and Cambewarra Road at Bomaderry **from Monday 19 April to Friday 23 April**, weather permitting. There will be no more than two nights of work in any single location.

Work will be carried out between **6pm** and **7am** to minimise the impact to motorists.

Should the work need to be postponed, new dates will be advertised on variable message signs.

How will the work affect you?

There will be noise and light associated with this work however we will make every effort to minimise disruption to residents.

For the safety of motorists and our workers there will be stop/slow traffic control and 40km/h speed limits in place. Motorists are advised to drive to the conditions and follow the directions of signs and traffic control.

Transport for NSW thanks the community for their patience during this time.
