

Night work on Princes Highway between Boxsells and Devitts Lanes, Meroo Meadow from Wednesday 24 March

The NSW Government is upgrading the Princes Highway between Berry and Bomaderry to improve safety, increase road capacity and improve traffic flow.

What are we doing?

We will be carrying out pavement testing between Boxsells and Devitts Lane on **Wednesday 24 and Thursday 25 March**, weather permitting.

Work will be carried out between **6pm** and **7am** to minimise the impact to motorists.

Should the work need to be postponed, new dates will be advertised on variable message signs.

A map of the work areas is provided over the page.

How will the work affect you?

There will be noise and light associated with this work however we will make every effort to minimise disruption to residents.

For the safety of motorists and our workers there will be stop/slow traffic control and 40km/h speed limits in place. Motorists are advised to drive to the conditions and follow the directions of signs and traffic control.

Transport for NSW thanks the community for their patience during this time.
