

Night work between Turners Lane, Meroo Meadow and Cambewarra Road, Bomaderry from Wednesday 16 September

The NSW Government is upgrading the Princes Highway between Berry and Bomaderry to improve safety, increase road capacity and improve traffic flow.

What are we doing?

We are preparing to move traffic onto new sections of highway along the entire project length. As part of the preparation we will be we relocating safety barriers, placing asphalt and carrying out line marking. Work will be carried out over **four nights** from **Wednesday 16 September**, weather permitting.

Work will be carried out between **6pm** and **5am** to minimise the impact to motorists. Should the work need to be postponed, new dates will be advertised on variable message signs.

How will the work affect you?

There may be some noise and light associated with this work however we will make every effort to minimise disruption to residents with noisier work to be completed by midnight where possible.

For the safety of motorists and our workers there will be stop/slow traffic control and 40km/h speed limits in place.

Motorists are advised to drive to the conditions and follow the directions of signs and traffic control.

Transport for NSW thanks the community for their patience during this time.
