MARCH 2011

Dear resident

## Re: Berry to Bomaderry upgrade, Princes Highway

The Berry to Bomaderry Princes Highway upgrade would provide approximately 11.5 kilometres of upgraded four lane highway between Schofields Lane and Cambewarra Road.

I am sending you this letter as part of our commitment to keep you informed of planning activities.

In 2011 the RTA is planning to complete the concept design of the highway upgrade and prepare an environmental impact assessment (called a review of environmental factors) for the proposal.

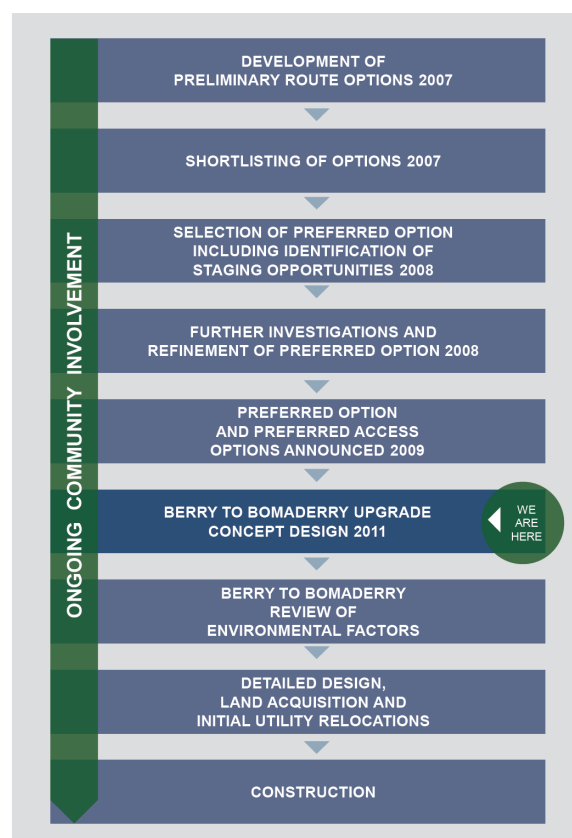

The review of environmental factors will assess the potential environmental and social impacts associated with the proposed Berry to Bomaderry upgrade and identify measures to mitigate and manage these impacts.

The community and stakeholders will have the opportunity to comment and make submissions.

Should you wish to speak to a member of the project team about the proposed upgrade, the Berry project office is open on Fridays from 10am to 5pm. The project office is located at Broughton Court, Shop 3/113 Queen Street Berry. Information on the proposed upgrade is also available on the project website [www.rta.nsw.gov.au/bbu](http://www.rta.nsw.gov.au/bbu).

Yours faithfully

Ron de Rooy  
Senior Project Manager
