## **Berry to Bomaderry Princes Highway upgrade – upcoming night work**

### **The NSW Government has provided \$18 million in 2016/17 to continue planning work for the Princes Highway upgrade between Berry and Bomaderry.**

As part of the preparatory work for the Princes Highway upgrade, Roads and Maritime Services will carry out night work to install bat boxes under existing bridges and culverts between Croziers Road and Jaspers Brush Road, Jaspers Brush.

This work will be carried out at night to minimise impacts to highway motorists.

Timing for the construction of the Princes Highway upgrade between Berry and Bomaderry is not confirmed and would be dependent on funding availability.

#### **How will the work affect you?**

There will be one lane closed on the Princes Highway between Croziers Road and Jaspers Brush Road, Jaspers Brush on Monday 5 December 2016 between 7.30pm and 5am, weather permitting.

Motorists will be able to drive past the work site under the guidance of traffic controllers and signage. A reduced speed zone of 40km/h will be in place.

During the work, it is expected there will be:

- Light and heavy vehicle movements
- Flashing lights on vehicles and machinery
- Machinery including portable generators and hand drills in use

Every effort will be made to minimise any noise associated with these activities.

#### **Contact**

If you have any questions, please call our project team on 1800 506 976 (option 3) or [BerrytoBomaderryUpgrade@rms.nsw.gov.au](mailto:BerrytoBomaderryUpgrade@rms.nsw.gov.au). For more information on our project, visit [rms.nsw.gov.au/bbu](http://rms.nsw.gov.au/bbu)

Thank you for your patience during this important work.
