

Night work on Princes Highway at Strongs Road, Jaspers Brush from Monday 15 March

The NSW Government is upgrading the Princes Highway between Berry and Bomaderry to improve safety, increase road capacity and improve traffic flow.

What are we doing?

We will be removing temporary walkways on the Strongs Road overpass, as well as installing concrete parapets on **Monday 15 March and Tuesday 16 March**. There will be a day of respite then we will continue with the work on **Thursday 18 March and Friday 19 March** (weather permitting).

Work will be carried out between **6pm** and **7am** to minimise the impact to motorists.

Should the work need to be postponed, new dates will be advertised on variable message signs.

A map of the work areas is provided over the page.

How will the work affect you?

There may be some noise and light associated with this work however we will make every effort to minimise disruption to residents.

For the safety of motorists and our workers there will be stop/slow traffic control and 40km/h speed limits in place. Motorists are advised to drive to the conditions and follow the directions of signs and traffic control.

Transport for NSW thanks the community for their patience during this time.
