

## Traffic changes on the Princes Highway, Berry to Bomaderry

The NSW Government is upgrading the Princes Highway between Berry and Bomaderry to improve safety, increase road capacity and improve traffic flow.

### What are we doing?

We will be introducing no right turns at the intersections of the Princes Highway and Jaspers Brush Road, Abernethys Lane and O'Keefes Lane on 1 November 2019.

The changes will improve motorist safety by reducing the likelihood of rear-end collisions caused by traffic slowing or stopping to turn into local roads. It will also reduce traffic congestion during peak periods.

### What you need to know

Motorists travelling north will not be able to access O'Keefes Lane or Jaspers Brush Road from the Princes Highway. Please travel past these intersections to Mullers Lane where you can make a u-turn to head south again.

Southbound motorists should use the Cambewarra roundabout to turn around and head back to Abernethys Lane.

Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates call 132 701, visit [livetraffic.com](http://livetraffic.com), or download the Live Traffic App. We thank you for your patience during this important work.
