

## Safety improvement work on Big River Way north of Ulmarra starting Monday 7 February

The NSW Government is funding essential road work on Big River Way north of Ulmarra to provide a safer, longer lasting road.

Transport for NSW will carry out the work which involves repairs to the road surface, widening shoulders and installing safety barriers on a four kilometre section of Big River Way between Cowells Lane and Cowper. A one metre wide median will also be installed along the northern end of the project.

Work will be carried out from **Monday 7 February** for about **five months**, weather permitting. We will be working from **Monday to Friday** between **7am** and **6pm**, and on **Saturday** between **8am** and **1pm**, when required.

A site compound and stockpile site will be set up at the existing Cooneys stockpile site and within the road reserve adjacent to the northbound travel lane, for the duration of the work.

### How will the work affect you?

The work will involve the use of machinery which will generate some noise and vibration. We will make every effort to minimise noise by turning machinery off when not in use, positioning machinery away from residential areas and where possible start noisy activities later in the morning.

Access to properties in the area will be maintained at all times.

### Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures and a reduced 40km/h speed limit will be place in the work area. Travel times may be affected.

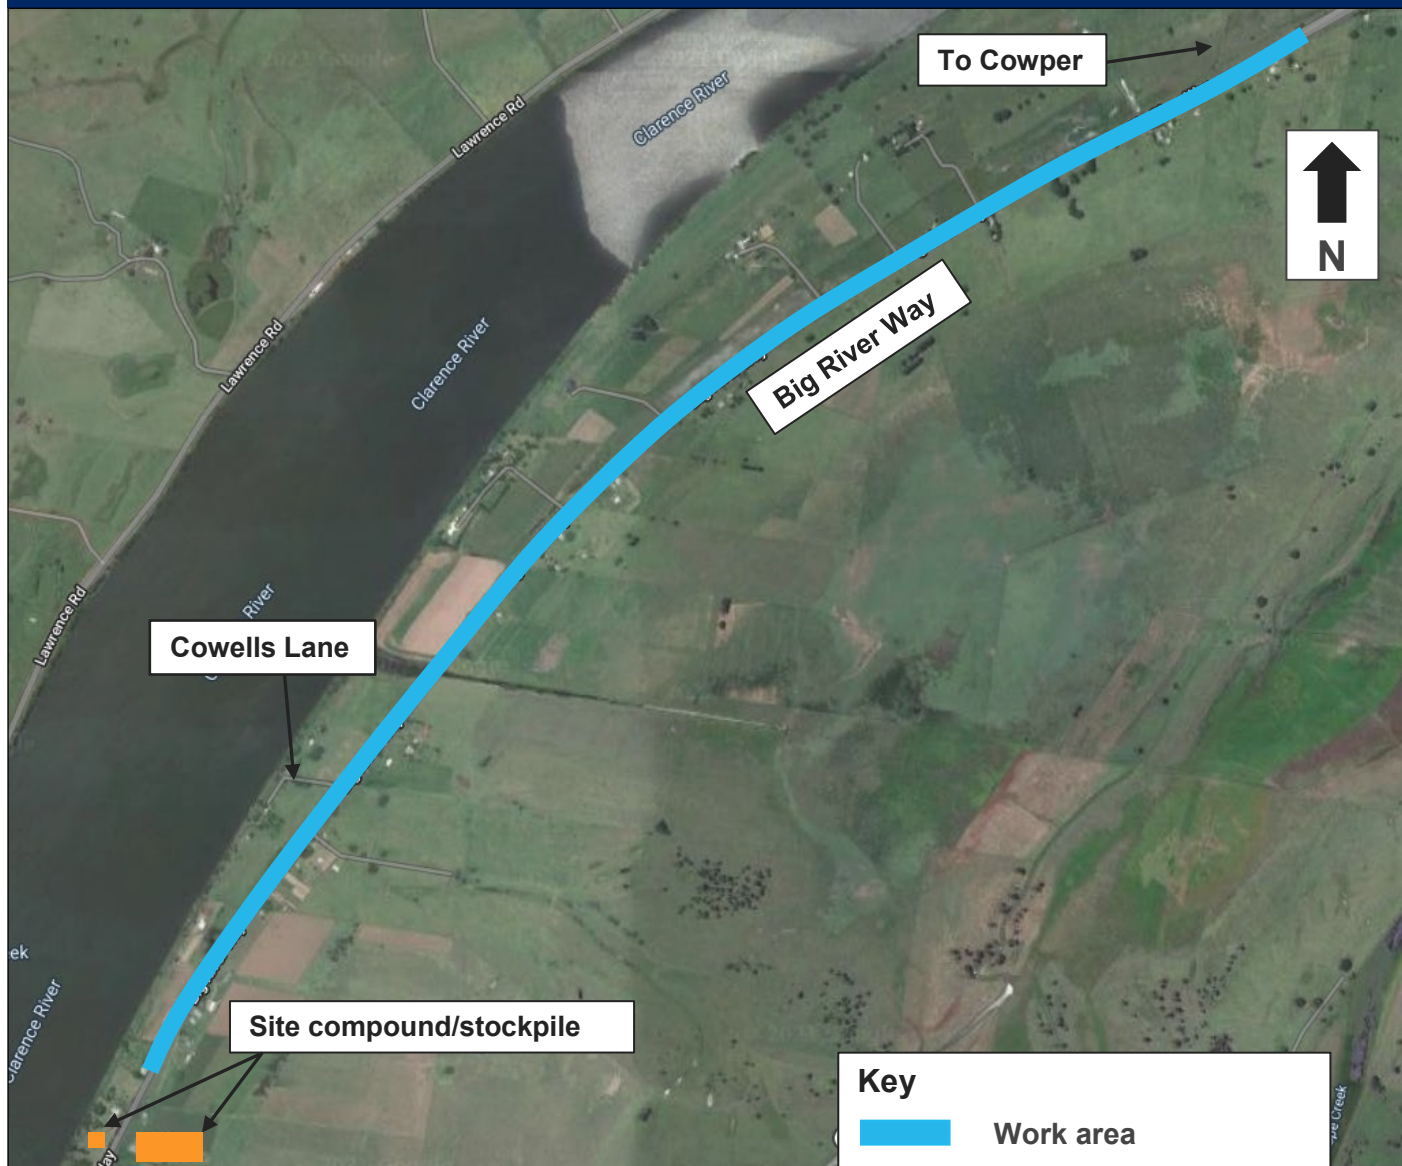

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

### Contact

If you have any questions or feedback about this work, please contact our Project Engineer, Daniel Quinn on 0427 416 134 or [Daniel.Quinn@transport.nsw.gov.au](mailto:Daniel.Quinn@transport.nsw.gov.au).

Thank you for your patience during this important work.
