

Road closure and project update – Intersection improvements on Hume Highway and Bigge Street, Warwick Farm

The NSW Government is funding this project as part of its \$225 million Pinch Point Program, which aims to reduce traffic delays, manage congestion and improve travel times on Sydney's major roads.

Roads and Maritime is improving the intersection of Bigge Street and the Hume Highway. Work is expected to be completed in late 2017.

Progress so far and the next stage

We are continuing to relocate utilities on Bigge Street. We have installed a No Stopping zone on Bigge Street. Work still to be done includes:

- building a 90 metre long northbound left turn lane on Bigge Street, two southbound right turn lanes on Bigge Street and a westbound left turn lane on the Hume Highway
- installing a No Stopping zone on the Hume Highway.

We have included a map of the project.

Our work schedule

We will be on site for another **45 night shifts** between **Sunday 30 July** and **Friday 29 September**, weather permitting. Our night work hours will be between **8pm** and **5am** from **Sunday** to **Friday**. Our day work hours will be between **7am** and **6pm** from **Sunday** to **Friday**.

Are you studying for the Higher School Certificate?

We are planning our future work program and would like to know if there are students living in the area who will be sitting the Higher School Certificate (HSC) examinations in 2017.

If a member of your household is studying for the HSC, please contact our delivery partner, DM Roads, at nsw_projects@downermouchel.com by Monday 21 August.

How will the work affect you?

Our work will be noisy at times but we will continue to do everything we can to minimise its impact, including completing the noisier tasks by **midnight** and staging them in different locations.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner, DM Roads, on 1800 332 660 or enquiries_nsw@downermouchel.com.

For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.

 If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 332 660.
