

Transport for NSW

# Blackwall Road and Memorial Avenue Intersection Upgrades

Community update | February 2020

Blackwall Road and McMasters Road intersection

## Background

The NSW Government is providing up to \$19 million in funding to improve travel time reliability and safety for all road users on the Woy Woy Peninsula by upgrading key intersections.

Transport for NSW is carrying out investigations to upgrade the Blackwall and McMasters Road intersection, the intersections at Blackwall Road, Allfield and Farnell Roads and the intersection at Memorial Avenue, Barrenjoey Road and Maitland Bay Drive.

A raised pedestrian crossing has also been proposed on Blackwall Road just south of the Victoria Road roundabout.

The proposed upgrades would improve journey times, manage traffic congestion and improve road user safety.

Feedback on the strategic designs is invited by **Friday 6 March**.

## Initial designs

Early Investigations and preliminary design work is being carried out for the proposed intersection upgrades.

The initial strategic designs will be on display for community feedback between **Monday 10 February** and **Friday 6 March 2020** at Woy Woy Library on the corner of Blackwall Road and Oval Avenue.

The designs will also be available to view electronically at [nswroads.work/blackwall-road-intersection-upgrades](https://nswroads.work/blackwall-road-intersection-upgrades).

## Project benefits

Upgrading the Blackwall Road and Memorial Avenue intersections will result in:

- Improving consistent travel time and reducing congestion along Blackwall Road and Memorial Avenue
- Improving motorists' safety
- Providing safer pedestrian and cyclist facilities near the intersections, helping to encourage active transport
- Supporting economic growth and productivity by providing road capacity for existing and projected traffic volumes.

## 1. Blackwall Road, Allfield Road, Farnell Road

## 2. Blackwall Road/McMasters Road

## 3. Blackwall Road near Victoria Road Pedestrian Crossing

## 4. Memorial Avenue, Maitland Bay Drive and Barrenjoey Road Intersection

### Key features

#### 1. Blackwall, Allfield and Farnell Roads

- New traffic lights at Farnell Road
- No access out of Allfield Road (east) onto Blackwall Road to improve traffic efficiency and safety
- Kerb and gutter along Farnell Road
- New pathway along Farnell Road
- New left turn bay Blackwall Road to Allfield Road

#### 2. Blackwall and McMasters Road

- Dedicated right turn lane from Blackwall Road onto McMasters Road
- Removal of right turn from McMasters Road onto Blackwall Road
- New mid-block pedestrian activated traffic lights on Blackwall Road, south of the intersection

#### 3. Blackwall Road near Victoria Road

- Raised pedestrian crossing

#### 4. Maitland Bay Drive and Memorial Avenue intersection

- Provide dual right turn lanes from Maitland Bay Drive onto Memorial Avenue to improve traffic efficiency and flow and to ease congestion
- Provide two lanes northbound from Barrenjoey Road
- Separate left and right turn lanes out of Gallipoli Avenue to reduce congestion.

Looking south along Blackwall Road

## Next steps

The community is invited to have their say on the strategic designs for the intersection upgrades.

Feedback on the designs is invited by  
**Friday 6 March 2020.**

## Have your say

If you have any questions or would like more information on the Blackwall Road intersection upgrades please contact our project team:
