Changes to bus stops on the Princes Highway in Blakehurst and Sylvania

Community update | June 2020

The NSW Government has funded the Gateway to the South bus improvements program, which aims to improve bus reliability on southern Sydney's main bus corridors.

Community consultation

Transport for NSW would like to thank everyone for the feedback they provided on the proposed bus stop changes from 21 November 2019 to 13 December 2019, when consultation closed.

The proposed changes are aimed at improving bus reliability and on-time running along the Miranda to Hurstville via Sylvania bus corridor.

The proposal prioritises:

- Reducing congestion and improving safety for all road users along the corridor.
- Improving traffic movement and efficiency along the bus corridor to reduce journey times for bus customers and motorists.
- Upgrading bus stop infrastructure (where bus stop changes are proposed) to comply with accessibility requirements.

A key customer outcome is safety and performance, which seeks to ensure that every customer enjoys safe travel across a high performing network. It also

reflects what our customers tell us about bus services, with travel time and on-time running being some of the most important service features.

Consultation findings

During the consultation period, we received your feedback regarding the proposed bus stop changes along suburban bus route 11 via 26 emails, six phone calls and about 25 door knocks.

Key comments received were around:

- Support for the project.
- Need for the project.
- Pedestrian safety.
- Children and the elderly.
- Walking distance.
- Value for money.

Changes to the proposal

After considering all feedback, we have decided to proceed with some amendments to the original proposal as summarised in the table below.

Implementation

The implementation of the bus stop changes will take place around mid-2020.

Efforts will be made to minimise any disruption to nearby residents and businesses, bus customers and road users. All bus stop work will be carried out during the day.

Transport for NSW thanks the community for all the feedback received. We will continue to keep the community updated as this project progresses.
