

New clearways on Boundary Road and New Line Road

Between Pennant Hills Road, Pennant Hills and Old Northern Road, Dural

Roads and Maritime Services | November 2019

The NSW Government is funding this project as part of its \$121 million Clearways Program, which aims to reduce congestion and delays on Sydney's Roads.

Roads and Maritime Services is installing new clearways on Boundary Road and New Line Road in both directions between Pennant Hills Road, Pennant Hills and Old Northern Road, Dural.

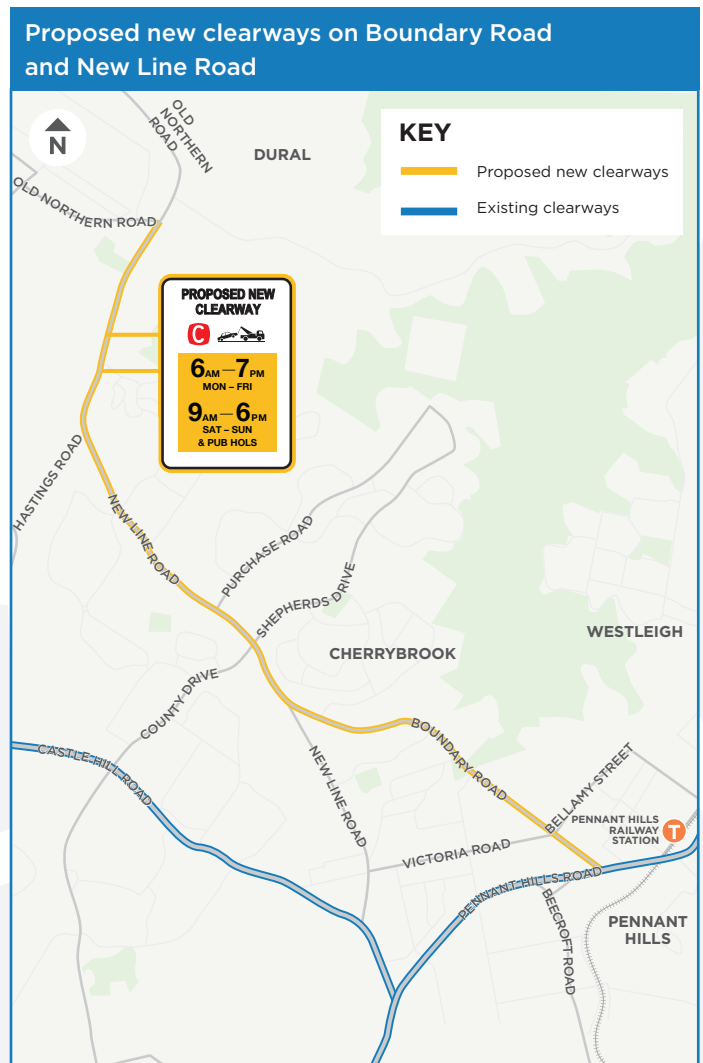

The new clearways will be between 6am to 7pm on weekdays and between 9am and 6pm on weekends and public holidays.

Clearways help improve journey times by making an additional lane available to traffic during clearway hours, allowing drivers to get to their destination sooner. They have an immediate positive impact on traffic flow as existing road space is used for the movement of vehicles. Maximising road space for traffic movement improves the efficiency of intersections along the corridor as all lanes are used.

The new weekday and weekend clearways will improve the journey times for the 32,000 motorists travelling on this corridor each day which means less time in traffic and more time doing the things you enjoy.

The new clearways will be operational on **Monday 9 December 2019.**

New No Stopping restrictions will also be installed along sections of Boundary and New Line Roads, mainly at intersections to improve safety.

What is a clearway?

A clearway is a section of road where stopping and parking is not allowed during the times shown on the clearway sign. Clearways are put on key state roads where traffic is often heavy and congested. They help keep vehicles moving by making all lanes available to road users.

Buses and taxis are allowed to stop on a clearway to drop off or pick up passengers. Emergency vehicles and postal vehicles accessing a public post box are exempt from clearways restrictions.

To report a vehicle parked or stopped in a clearway or if your vehicle has been towed from a clearway, please call the Transport Management Centre on **131 700**.
