**BUILDING OUR FUTURE**

February 2018

## **Extension of temporary closure of Dickson Road, Leppington, until mid-April 2018**

**The Australian and NSW governments are funding this work as part of the \$509 million Bringelly Road Upgrade between Camden Valley Way, Leppington, and The Northern Road, Bringelly. This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.**

Roads and Maritime Services are continuing to upgrade Dickson Road and Bringelly Road intersection between Bringelly Road and the railway bridge overpass. Work includes upgrading underground utilities and building the new road.

The Dickson Road closure will be extended until **mid-April 2018**, weather permitting.

The current detour will remain in place to direct traffic around the work. We have included a map that shows the temporary closure and detour.

### **How will the work affect you?**

The work will involve the use of machinery which may generate some noise. We will make every effort to minimise noise by turning off machinery and vehicles when not in use.

### **Traffic changes**

Access to properties on Dickson Road will be maintained during the work. Traffic will be detoured via Eastwood Road or Rickard Road and Ingleburn Road and back onto Dickson Road.

Please keep to the displayed speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

### **Contact**

If you have any questions, please contact our delivery partner, BMD Constructions, on 1800 199 009 or [bringellyroadupgrade@bmd.com.au](mailto:bringellyroadupgrade@bmd.com.au) or visit [www.rms.nsw.gov.au/projects/sydney-west/](http://www.rms.nsw.gov.au/projects/sydney-west/).

Thank you for your patience during this important work.

## Road closure location

## Western Sydney Infrastructure Plan

The Australian and NSW governments are funding a 10 year, \$3.6 billion road investment program for western Sydney. The Western Sydney Infrastructure Plan will deliver major road infrastructure upgrades to support integrated transport for the region and capitalise on the economic benefits from developing the Western Sydney Airport at Badgerys Creek. It will also improve safety, increase road capacity and reduce congestion and travel times in the future. For more information on the Western Sydney Infrastructure Plan, visit [www.rms.nsw.gov.au/wsip](http://www.rms.nsw.gov.au/wsip).
