BUILDING OUR FUTURE

May 2016

Traffic change at the intersection of Bringelly Road and Rickard Road, Austral from Tuesday 31 May

The Australian and NSW governments are funding this work under the \$509 million Bringelly Road Upgrade between Camden Valley Way, Leppington and The Northern Road, Bringelly. This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services is continuing to deliver this important project. As part of this work, traffic will be moved onto a new alignment at the intersection of Bringelly Road and Rickard Road, Austral. The new alignment will increase capacity at the intersection and alleviate congestion.

The preparation night work will now be carried out between **7pm and 5am on Monday 30 May**, weather permitting. Traffic will travel on the new alignment from **Tuesday 31 May, 2016**.

The attached map helps to explain the location of the work and the new alignment.

How will the work affect you?

There will be some noise and lights associated with this work, but every effort will be made to minimise the impact on residents.

Traffic changes

Pedestrian and cyclist access along Rickard Road will be maintained throughout the work.

Access to private properties will be maintained from the existing Rickard Road.

Electronic message signs will be in place to direct road users around the work.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
