

Australian Government

BUILDING OUR FUTURE

August 2016

Work continues at the Bringelly Road, Cowpasture Road and Camden Valley Way intersection from Monday 15 August

The Australian and NSW governments are funding this work under the \$509 million Bringelly Road Upgrade between Camden Valley Way, Leppington and The Northern Road, Bringelly. This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services and partner BMD Constructions are constructing Stage 1 of the Bringelly Road Upgrade.

Work at the intersection of Bringelly Road, Cowpasture Road and Camden Valley Way (as per attached map) will continue outside standard construction hours in accordance with the current Environment Protection Licence conditions from **Monday 15 August 2016** through to late **November 2017**.

Work outside standard hours is required in order to minimise traffic disruptions during peak traffic flows between standard construction hours (**7am and 6pm, Monday to Friday and 8am to 1pm Saturday**) as traffic lanes will be closed or diverted to perform the required upgrade work in a safe environment for workers and motorists.

Work can include installation of barriers and temporary traffic signage, clearing vegetation, service location (potholing), saw cutting and removal of existing pavement, structural works utility works, earthworks, concreting and asphaltting.

Work can be scheduled to occur between **8pm to 5am, two nights per week** and will be limited to 6 working nights per calendar month. High noise impact work (including saw cutting, grinding etc) will be completed by **11pm**.

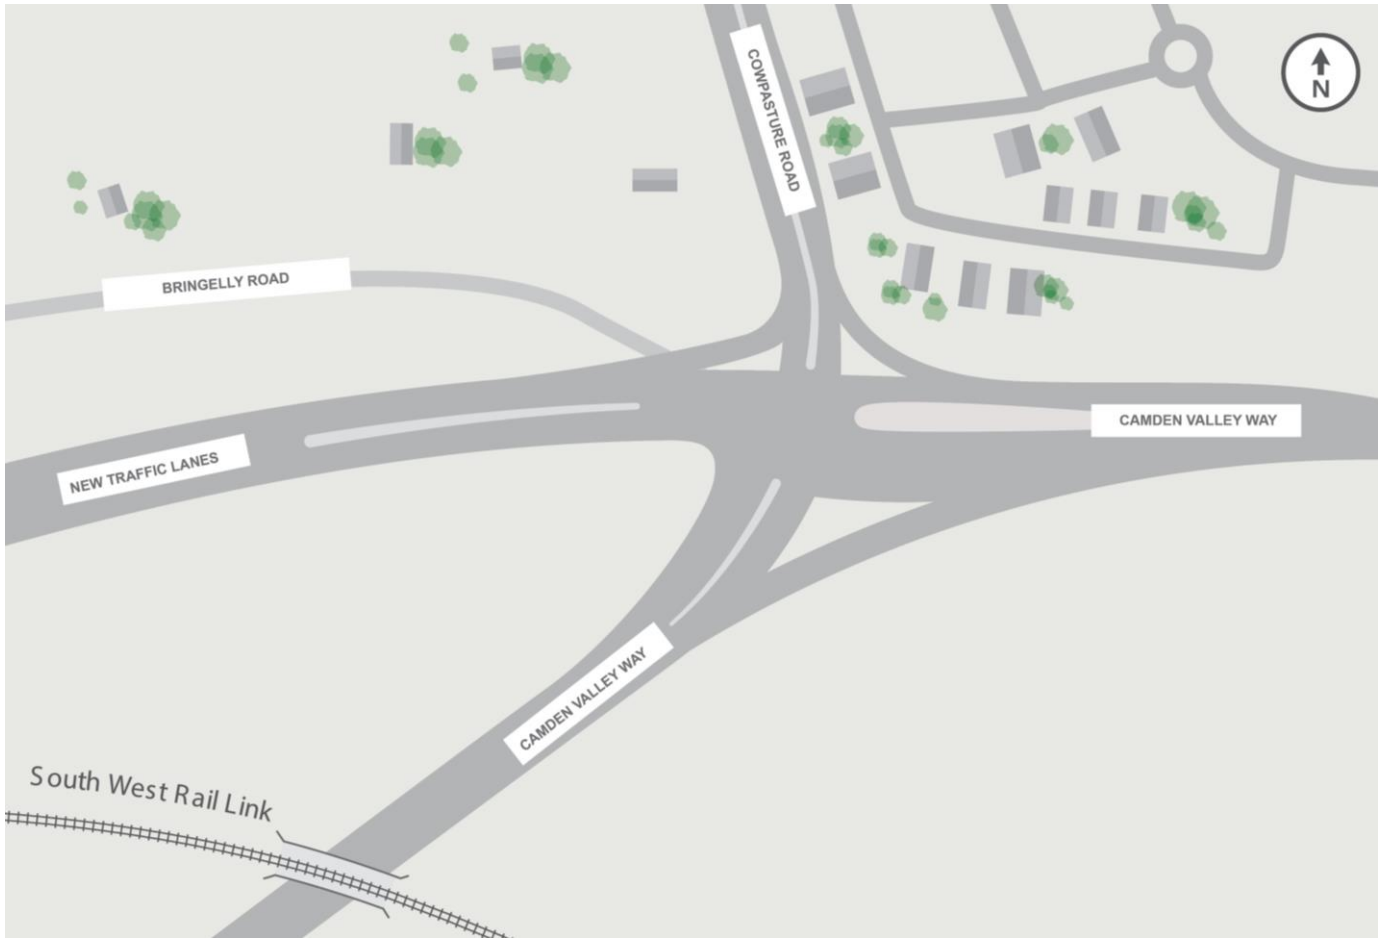

All work outside standard hours will be notified to residents within seven days.

Contact

If you have any questions, please call our project team on **1800 199 009** or email bringellyroadupgrade@bmd.com.au or visit rms.nsw.gov.au/bringellyroad.

Thank you for your patience during this important work.

Location

Western Sydney Infrastructure Plan

The Australian and NSW governments are jointly funding a 10 year, \$3.6 billion road investment program for western Sydney. The Western Sydney Infrastructure Plan will deliver major road infrastructure upgrades to support integrated transport for the region and capitalise on the economic benefits from developing a planned western Sydney airport at Badgerys Creek. For more information on our projects, visit rms.nsw.gov.au/wsip or call 1800 703 457.
