

Australian Government

BUILDING OUR FUTURE

January 2017

Night work on Bringelly Road, from Camden Valley Way, Leppington to Edmondson Avenue, Austral from Tuesday 31 January

The Australian and NSW governments are funding this work under the \$509 million Bringelly Road Upgrade between Camden Valley Way, Leppington and The Northern Road, Bringelly. This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services advises residents of upcoming changed traffic conditions as work continues on the Bringelly Road upgrade.

In preparation to open the new eastbound carriageway and Edmondson Avenue access to Bringelly Road, work will take place on **Tuesday 31 January 2017** between **7pm and 5am**, weather permitting.

A temporary road closure will also be in place on Rickard Road between Bringelly Road and the Leppington Railway Station carpark entry, and on Bringelly Road between Edmondson Avenue and Fourth Avenue, Austral on **Tuesday 31 January 2017** between **7pm and 5am**, weather permitting.

In addition, a section of the southbound lane on Cowpasture Road (south) will be closed from **Wednesday 1 February** until **late June 2017**, weather permitting. The partial closure will allow construction of the new Cowpasture Road (south) intersection with Bringelly Road to start.

Detours will be in place to direct traffic around the work. The attached map helps to better explain the upcoming changes.

How will the work affect you?

There will be some noise associated with this night work, but every effort will be made to minimise the impact on residents.

Temporary bus stop relocations

Current bus stops located along the existing Bringelly Road between Cowpasture Road and Edmondson Avenue will be temporarily moved once the new eastbound carriageway is opened. Please refer to the map below for the new temporary bus stop locations.

Contact

If you have any questions, please call our project team on 1800 199 009 or email bringellyroadupgrade@bmd.com.au or visit www.rms.nsw.gov.au/projects/sydney-west/.

Thank you for your patience during this important work.

Location Map

Western Sydney Infrastructure Plan

The Australian and NSW governments are jointly funding a 10 year, \$3.6 billion road investment program for western Sydney. The Western Sydney Infrastructure Plan will deliver major road infrastructure upgrades to support integrated transport for the region and capitalise on the economic benefits from developing the planned western Sydney airport at Badgerys Creek. For more information on our projects, visit rms.nsw.gov.au/wsip or call 1800 703 457.

61 km
of new and upgraded roads

Reduced travel times to Penrith, Liverpool and Campbelltown CBD precincts

\$3.6 billion
investment in major transport infrastructure

4000
direct and indirect jobs over 10 years

Improve the efficient movement of state and national freight

Provide opportunities for improved public transport

Make western Sydney an even better place to live and do business

Transform the local economy
