**BUILDING OUR FUTURE**

April 2017

## **Extension of temporary closure of the Kelly Street intersection with Bringelly Road, Austral, from Monday 1 May**

**The Australian and NSW governments are funding this work under the \$509 million Bringelly Road Upgrade between Camden Valley Way, Leppington and The Northern Road, Bringelly. This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.**

Roads and Maritime Services is continuing work to upgrade the Kelly Street and Bringelly Road intersection between Bringelly Road and about 100 metres north of Bringelly Road. Work includes upgrading underground utilities and building the new road.

Due to the recent wet weather, the Kelly Street closure has been extended from **Monday 1 May** until **mid-June 2017**, weather permitting.

The established detour will remain in place to direct traffic around the work. The attached map shows the location of the temporary closure and detour.

### **How will the work affect you?**

Our work may be noisy at times but every effort will be made to minimise its impact on residents.

### **Traffic changes**

Access to properties on Kelly Street will be maintained during the work. Pedestrian and cyclist access will also be maintained.

Traffic will detour via Fourth Avenue, Tenth Avenue and back on to Kelly Street.

Electronic message signs are in place to direct road users around the work.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
