Extension of the temporary closure of the Kelly Street and Bringelly Road intersection at Austral

The Australian and NSW governments are funding this work under the $509 million Bringelly Road Upgrade between Camden Valley Way, Leppington and The Northern Road, Bringelly. This project is part of the $3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services is continuing work to upgrade the Kelly Street and Bringelly Road intersection between Bringelly Road and about 100 metres north of Bringelly Road. Work includes upgrading underground utilities and building the new road.

Due to slower than expected progress to date, the temporary closure of the Kelly Street and Bringelly Road intersection will be extended until **31 August 2017**, weather permitting. We apologise for this continued inconvenience.

The existing temporary detour will remain in place to direct traffic around the work. The attached map shows the temporary closure and detour.

How will the work affect you?

Our work may be noisy at times but every effort will be made to minimise its impact on residents.

Traffic changes

Access to properties on Kelly Street will continue to be maintained during the work. Pedestrian and cyclist access will also be maintained.

Traffic will be detoured via Fourth Avenue, Tenth Avenue and back on to Kelly Street.

Electronic message signs are already in place to direct road users around the work.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner, BMD Constructions, on **1800 199 009,** bringellyroadupgrade@bmd.com.au or visit rms.nsw.gov.au/projects/wsip.

Thank you for your patience during this important work.

_____

Kelly Street closure and detour

KEY

- Temporary closure
- Detour (northbound)
- Detour (southbound)

(Map showing Kelly Street, Little Street, Tenth Avenue, Ninth Avenue, Eighth Avenue, Seventh Avenue, Sixth Avenue, Fifth Avenue, Fourth Avenue, Edmondson Avenue, Eastwood Road, Dickson Road, Bringelly Road, Rickard Road, with compass pointing North)

61 km of new and upgraded roads

Reduced travel times to Penrith, Liverpool and Campbelltown CBD precincts

$3.6 billion investment in major transport infrastructure

4000 direct and indirect jobs over 10 years

Improve the efficient movement of state and national freight

Provide opportunities for improved public transport

Make western Sydney an even better place to live and do business

Transform the local economy

Western Sydney Infrastructure Plan

The Australian and NSW governments are funding a 10 year, $3.6 billion road investment program for western Sydney. The Western Sydney Infrastructure Plan will deliver major road infrastructure upgrades to support integrated transport for the region and capitalise on the economic benefits from developing the Western Sydney Airport at Badgerys Creek. It will also improve safety, increase road capacity and reduce congestion and travel times in the future. For more information on Western Sydney Infrastructure Plan projects, visit rms.nsw.gov.au/wsip or call 1800 703 457.

Translating and Interpreting Service
