## Construction contract awarded for Stage 1 of the Bringelly Road upgrade

The NSW Government has awarded the contract for the 5.7 kilometres Stage 1 of the Bringelly Road upgrade between Camden Valley Way, Leppington and King Street, Rossmore.

The Australian and NSW governments have funded the \$509 million upgrade of 10 kilometres of Bringelly Road between Camden Valley Way and the Northern Road.

This upgrade will reduce travel times in Sydney's South West Growth Centre area, improve access to the future Western Sydney Airport at Badgerys Creek, the new Leppington railway station and the M5 and M7 motorways and improve safety for all road users. The upgrade will include:

- Widening Bringelly Road to a six lane, divided road between the eastern side of the Upper Canal Bridge and the western side of the Eastwood Road intersection through to the future Leppington Town Centre.
- Widening the rest of Bringelly Road to four lanes with the option of widening to six lanes if required in the future
- A three metre wide off-road shared pedestrian and cyclist
- Traffic lights with bicycle and pedestrian crossing provisions
- Priority given to buses at traffic lights and indented bus bays on both side of Bringelly Road
- Designated turning lanes at traffic lights
- Extension of the existing noise wall on Cowpasture Road by about 240 metres eastbound along Camden Valley Way.

The contract for Stage 1 has been awarded to BMD Constructions Pty Ltd. Construction work is expected to **start in early 2015** and be **completed in 2017**. Stage 2 is at the detailed design stage and building work is expected to start in late 2016 and be completed in 2018.

Work will normally be carried out from **7am to 6pm between Mondays and Fridays** and from **8am to 1pm on Saturdays**. Potentially affected residents and businesses will be advised if work needs to be done outside of these hours and kept informed of progress and any changes to traffic conditions.

For further information please contact Roads and Maritime Services project manager Suthan Yogaratnam on 02 8849 2694 or email [Yogaratnam.Suthan@rms.nsw.gov.au](mailto:Yogaratnam.Suthan@rms.nsw.gov.au)

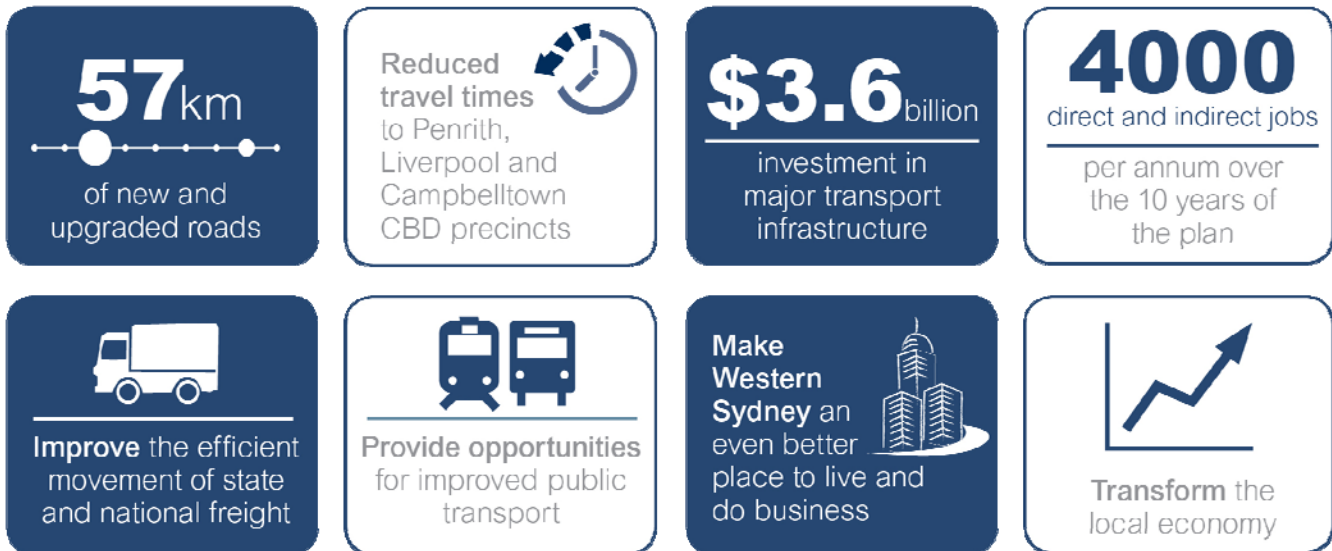

Outside business hours, or for more information on scheduled road work, visit [www.livetraffic.com](http://www.livetraffic.com) or download Live Traffic NSW App or call 132 701. Information about the Bringelly Road project is also available on the Roads and Maritime website [www.rms.nsw.gov.au/roadprojects](http://www.rms.nsw.gov.au/roadprojects)
