**BUILDING OUR FUTURE**

April 2017

## **Night work and changed traffic arrangements at the intersection of Camden Valley Way, Bringelly Road and Cowpasture Road, Leppington, from Wednesday, 19 April.**

**The Australian and NSW governments are funding this work under the \$509 million Bringelly Road Upgrade between Camden Valley Way, Leppington and The Northern Road, Bringelly. This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.**

Roads and Maritime Services continues to deliver this important project. As part of this work, changes will be in place at the intersection of Camden Valley Way, Bringelly Road and Cowpasture Road, Leppington to carry out median work on Bringelly Road.

Preparation work for these changes will be carried out at night between **7pm and 5am on Wednesday 19 April and Thursday 20 April 2017**, weather permitting. Traffic will travel on the new westbound lanes from **Friday 21 April 2017**, weather permitting.

The attached map shows these changes.

### **Traffic changes**

Vehicles travelling northbound on Camden Valley Way will access Bringelly Road via a new left turn slip lane.

Traffic heading westbound from Camden Valley Way onto Bringelly Road will travel through the intersection on the new westbound lanes.

Vehicles turning right onto Bringelly Road from Cowpasture Road will travel a short distance before giving way to vehicles turning onto Bringelly Road from Camden Valley Way. This traffic arrangement will be in place for around for four weeks.

Electronic message signs will be in place to advise road users of changes.

There may be some short delays to traffic at the intersection as traffic controllers help trucks to safely enter and exit our construction site.

Please keep to the displayed speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Contact

If you have any questions, please contact our delivery partner, BMD Constructions, on 1800 199 009 or [bringellyroadupgrade@bmd.com.au](mailto:bringellyroadupgrade@bmd.com.au) or visit [www.rms.nsw.gov.au/projects/sydney-west/](http://www.rms.nsw.gov.au/projects/sydney-west/).

Thank you for your patience during this important work.

## Changed traffic arrangements

## Western Sydney Infrastructure Plan

The Australian and NSW governments are funding a 10 year, \$3.6 billion road investment program for western Sydney. The Western Sydney Infrastructure Plan will deliver major road infrastructure upgrades to support integrated transport for the region and capitalise on the economic benefits from developing the Western Sydney Airport at Badgerys Creek. It will also improve safety, increase road capacity and reduce congestion and travel times in the future. For more information on Western Sydney Infrastructure Plan projects, visit [rms.nsw.gov.au/wsip](http://rms.nsw.gov.au/wsip) or call 1800 703 457.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on **1800 703 457**.
