BUILDING OUR FUTURE

September 2017

Temporary traffic changes and single lane closure of King Street, Rossmore from Thursday, 5 October 2017

The Australian and NSW Governments are funding this work under the \$509 million Bringelly Road Upgrade between Camden Valley Way, Leppington and The Northern Road, Bringelly. This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services is carrying out work to upgrade the intersection of Bringelly Road and King Street, Rossmore. As part of this work, King Street will be reduced to one northbound lane for light vehicles to build the new eastbound traffic lanes on Bringelly Road.

Work will be carried out from **9am Thursday, 5 October 2017**, to **5pm Wednesday, 11 October 2017**, weather permitting.

We have included a map to show the detours and location of the work.

Traffic changes

King Street from Bringelly Road, and for approximately 150 meters north, will be reduced to northbound traffic only for light vehicles.

King Street access for **northbound** light vehicles will be switched to newly built lanes. A heavy vehicle detour will be in place via Fourth Avenue, Fifteenth Avenue and Devonshire Road.

Bringelly Road access for **southbound** heavy and light vehicles will be in place via Devonshire Road, Fifteenth Avenue and Fourth Avenue, Rossmore. Light vehicles may also use Wynyard Avenue and North Avenue, Rossmore.

Access for local residents and business will be maintained at all times.

Electronic message signs will be in place to advise road users of changes.

Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Thank you for your patience during this important work.

Changed traffic arrangements

Western Sydney Infrastructure Plan

The Australian and NSW governments are funding a 10 year, \$3.6 billion road investment program for western Sydney. The Western Sydney Infrastructure Plan will deliver major road upgrades to support integrated transport for the region and capitalise on the economic benefits from developing the Western Sydney Airport at Badgerys Creek. It will also improve safety, increase road capacity and reduce congestion and travel times in the future. For more information on Western Sydney Infrastructure Plan projects, visit rms.nsw.gov.au/wsip or call 1800 703 457.

- 63 km** of new and upgraded roads
- Reduced travel times to Penrith, Liverpool and Campbelltown CBD precincts
- \$3.6 billion** investment in major transport infrastructure
- 4000** direct and indirect jobs over 10 years
- Improve the efficient movement of state and national freight
- Provide opportunities for improved public transport
- Make western Sydney an even better place to live and do business
- Transform the local economy
