BUILDING OUR FUTURE

October 2017

Night work and traffic changes on Bringelly Road, from Edmondson Avenue, Austral to Glen Allan Road, Rossmore from Monday, 9 October 2017

The Australian and NSW Governments are funding this work under the \$509 million Bringelly Road Upgrade between Camden Valley Way, Leppington and The Northern Road, Bringelly. This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services continues work to deliver this important project. As part of this work, traffic will be moved to newly built eastbound lanes between Edmondson Avenue, Austral and Glen Allan Road, Rossmore.

Preparation work for this change will be carried out at night when traffic volumes are lower between **7pm** and **5am** on **Monday, 9 October** and **Tuesday, 10 October 2017**, weather permitting. Work includes asphaltting, barrier movement and line marking.

Traffic will travel on the new eastbound lanes from **8pm, Tuesday, 10 October 2017**, weather permitting.

We have included a map to help show the location of the traffic changes.

How will the work affect you?

There will be some noise associated with this night work, but every effort will be made to minimise the impact on residents. Resident and pedestrian access will be maintained.

Temporary bus stop relocations

Current bus stops located along the existing Bringelly Road between Edmondson Avenue, Austral and King Street, Rossmore will be temporarily moved once the new eastbound carriageway is opened. Please refer to the map below for the new temporary bus stop locations.

Traffic changes

A detour will be in place via Rickard Road and Eastwood Road at Leppington for access to Dickson Road from Ingleburn Road. Electronic message signs will be in place to advise road users of changes.

Glen Allan Road will become a left in and left out at Bringelly Road.

A temporary road closure will also be in place on Dickson Road between Bringelly Road and Leppington Railway Bridge, from **Wednesday, 11 October 2017** for about **four months**, weather permitting.

The intersection of Rickard Road with Bringelly Road will be relocated 100 meters to the east, from **Wednesday, 11 October 2017**.

Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner, BMD Constructions on 1800 199 009 or bringellyroadupgrade@bmd.com.au.
