

Have your say – Safety improvements on Brisbane Water Drive at the Sunshine Drive and Sunnyside Avenue intersections, Point Clare

The NSW Government has provided \$600,000 this financial year for safety improvements on Brisbane Water Drive between Glenrock Parade and Manooka Road.

Roads and Maritime Services carried out a safety review in November 2016 to identify and address safety issues along this section of Brisbane Water Drive.

Improvements at Talinga Avenue, Takari Avenue, Penang Street and Lorraine Avenue were identified as priorities. Planning is progressing for work at these locations and safety kerb and bus stop improvements were recently completed near Talinga Avenue.

We have now identified safety improvements at Sunshine Drive and Sunnyside Avenue that can be implemented in the short term. We have included a map to show the proposal, which includes:

- Installing right turn bays on Brisbane Water Drive to assist motorists turning into Sunshine Drive and Sunnyside Avenue
- Implementing a no stopping zone along this section of Brisbane Water Drive and removing the eastbound bus stop located West of Byarong Avenue, to allow enough space for the turning bays to be installed.

Alternative on-street parking is available on Sunshine Drive, Sunnyside Avenue and Byarong Avenue and the closest eastbound bus stop is located east of Byarong Avenue, around 130 metres east of the existing bus stop.

In the five years to June 2017, there were 11 crashes at the Sunshine Drive and Sunnyside Avenue intersections, 10 of these crashes resulted in injury.

How can you give feedback?

You are invited to provide feedback by **Wednesday 23 May 2018** to our Project Manager, Peter Talbot at peter.j.talbot@rms.nsw.gov.au or:

Peter Talbot
Roads and Maritime Services
Locked Bay 2030
Newcastle NSW 2300

We will consider your feedback and continue to keep you updated as the project progresses. Work is expected to start on the project in **mid-2018**.

Contact

If you have any questions, please contact our Project Manager, Peter Talbot on 02 4908 7676 during business hours or peter.j.talbot@rms.nsw.gov.au.
