

25 September 2017

Moving traffic onto the new Burrill Lake Bridge between Wednesday 27 September 2017 and Wednesday 4 October 2017.

The NSW Government is funding this \$58 million project to replace the bridge over Burrill Lake.

Moving highway traffic onto the new bridge is planned between **Wednesday 27 September and Wednesday 4 October 2017**, weather permitting. This will impact highway traffic and access to local roads from McDonalds Parade to the north to the Dolphin Point Road roundabout south of Burrill Lake.

How will this impact me?

There will be impacts to motorists travelling north and south on the Princes Highway and to motorists accessing local roads between **Wednesday 27 September and Wednesday 4 October**.

Please see the enclosed maps to view the traffic changes in detail.

There may be additional travel times of up to 3 minutes.

Traffic changes

Between **Wednesday 27 September and Wednesday 4 October**, north and southbound traffic will move onto the new bridge. This will impact highway traffic and access to local roads between McDonalds Parade to the north and the Dolphin Point Road roundabout south of Burrill Lake.

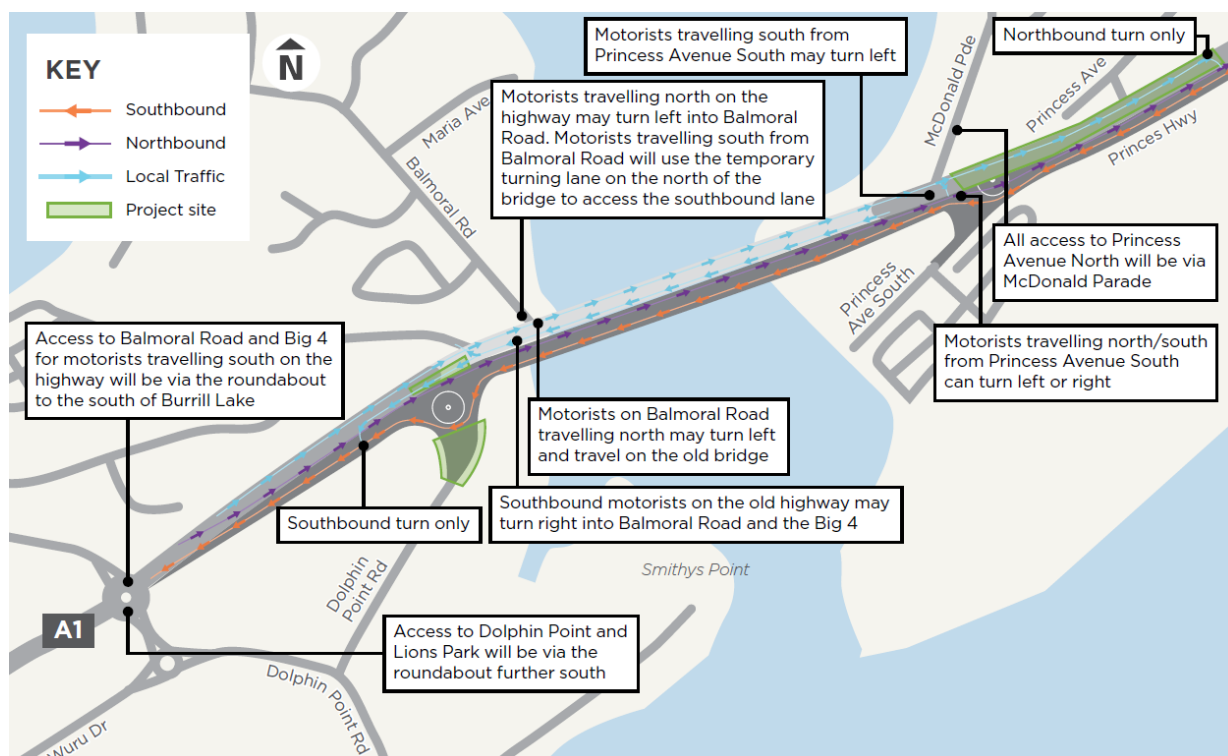

Motorists, pedestrians and cyclists are advised to follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit or download the Live Traffic NSW App.

Contact

If you have any questions or would like to receive updates on future works, please call Peter Townsend, Project Manager on 0411 149 890 or email burrillakecrossing@rms.nsw.gov.au. For more information on this project please visit www.rms.nsw.au/burrillakebridge

Thank you for your patience during this important work.

Temporary traffic changes for the first week after traffic is moved onto the new bridge. Please follow signs during your journey.

Temporary traffic change will operate from mid-October until the local road connections and roundabouts are completed later this year.
