

Changes to the bus stop on Pennant Hills Road near Martins Lane, Carlingford

August 2018

The NSW Government has funded the Bus Priority Infrastructure Program. The program aims to improve the reliability of bus services on Sydney's main bus corridors.

Transport for NSW has identified some ways to improve the reliability of buses along the Parramatta to Macquarie Park via Carlingford and Epping bus corridor.

From **Monday 10 September 2018** as part of this program, Transport for NSW and Roads and Maritime Services will remove the westbound bus stop on Pennant Hills Road near Martins Lane, Carlingford. This stop is serviced by routes M54 and 625.

We have included a map to help explain our changes and the locations of the nearest bus stops near Charles Street and before Tintern Avenue.

Background

These changes support *Future Transport Strategy 2056*, which is the NSW Government's plan to deliver the future transport network. In this plan, a key customer outcome is safety and performance, which seeks to ensure that every customer enjoys safe travel across a high performing and efficient network. It also reflects what our customers tell us about bus services, with travel time and on-time running being some of the most important service features.

The bus stop changes have been developed by Transport for NSW and Roads and Maritime, in consultation with bus operators. The local council was consulted as part of the planning work.

Key outcomes

Key outcomes of the bus stop changes include:

- making travel times more reliable for customers
- contributing to the NSW Government's target of 95 per cent on-time running of bus services.

Bus stop changes

The westbound bus stop on Pennant Hills Road near Martins Lane, Carlingford will be removed. This bus stop has very low usage and there are alternate bus stops nearby.

Customers can access the alternate bus stops on Pennant Hills Road with a short walk to either Charles Street or Tintern Avenue.

The works associated with the bus stop changes, include:

- removal of bus stop number **211846**
- removing the bus zone and installing no stopping signs.

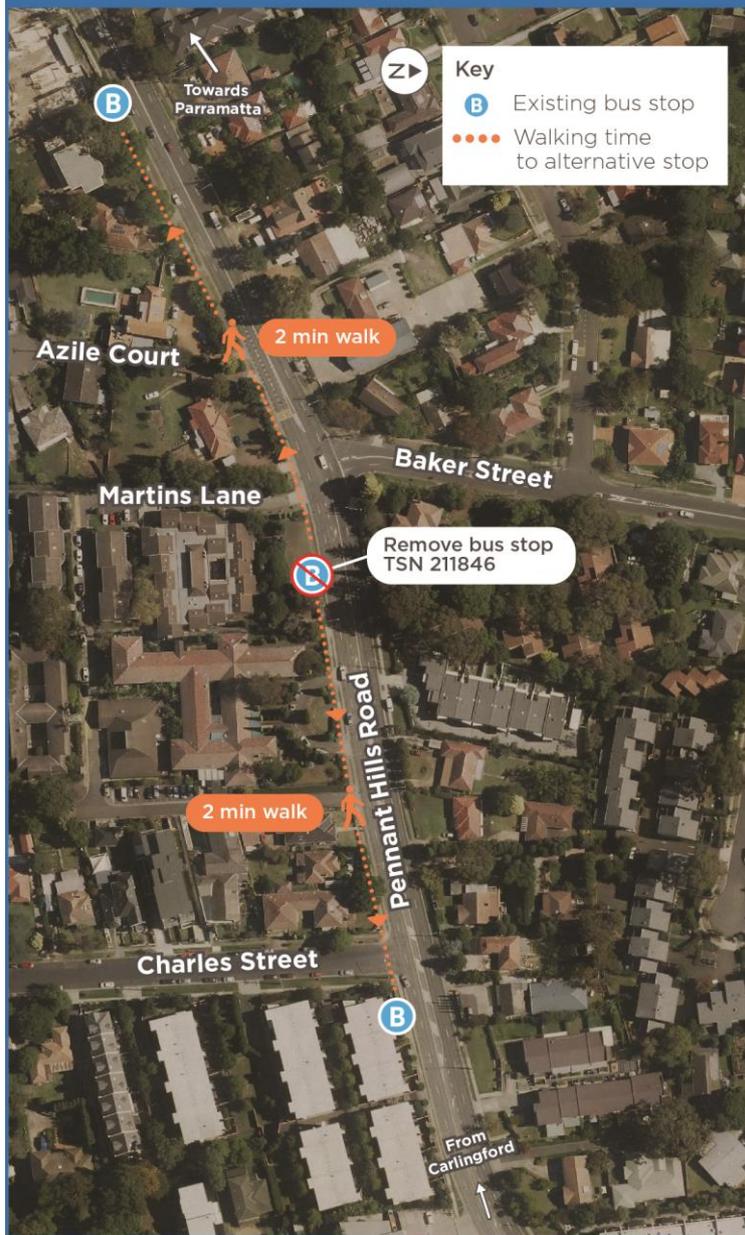

What happens next?

The bus stop removal will be implemented from **Monday 10 September 2018**.

Works by council to remove the bus stop shelter are expected to be completed by mid-December 2018.

We will keep the community updated throughout the project.
