

## Night Work on Narellan Road at the M31 Hume Motorway, Currans Hill and Mount Annan from Monday 21 March 2016

**The Australian and NSW governments are jointly funding the \$114 million Narellan Road Upgrade between Camden Valley Way, Narellan and Blaxland Road, Campbelltown.**

Roads and Maritime Services is delivering this important project. Lane closures and night work are needed to install and relocate temporary concrete barriers and signage, relocate underground utilities and upgrade intersections. Work is being done at night to minimise impact on road users.

Night work will be carried out between **Monday 21 March** and **Friday 1 July 2016**, weather permitting. Our night work hours will be from **8pm** to **5am**. Night work will not be carried out on weekends or public holidays.

Work will also take place during standard construction hours from **7am** to **6pm Mondays to Fridays** and from **8am** to **1pm on Saturdays**.

We have included a table to help better explain our night work.

Location	Activities	Number of shifts
Narellan Road between the Hume Motorway and Tramway Drive	Installing and relocating barriers, signage drainage and utilities, road resurfacing, line marking and upgrading traffic lights	25 nights
Narellan Road between the pedestrian bridge near Mt Annan Leisure Centre and Exchange Parade	Relocating barriers and signage, road resurfacing, footpath construction, line marking and upgrading traffic lights.	10 nights
M31 Hume Motorway, between the Narellan Road on and off ramps	Installing barriers and signage, road resurfacing, footpath construction and line marking. Building foundations for widening the Narellan Road bridge and new pedestrian bridge over the M31 Hume Motorway	15 nights

## How will the work affect you?

There will be some noise and additional lighting associated with this night work. We will make every effort to minimise noise and light by arranging the work in stages at different locations.

Motorists are asked to take extra care and to observe all traffic signs when travelling through work areas.

## Traffic changes

One lane will be closed westbound on Narellan Road from **Monday 21 March 2016** for around 12 months between the M31 Hume Motorway and Waterworth Drive reducing three lanes to two. There may be delays to traffic along Narellan Road due to these changed traffic conditions.

Please keep to the displayed speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Contact

If you have any questions, please call our delivery partner Seymour Whyte Constructions on **1800 720 146** or email [narellan\\_community@seymourwhyte.com.au](mailto:narellan_community@seymourwhyte.com.au). For more information on our projects, visit [www.rms.nsw.gov.au/roadprojects](http://www.rms.nsw.gov.au/roadprojects).

Thank you for your patience during this important work.
