

JUNE 2014

Construction contract awarded for– Narellan Road upgrade, stage 1

Roads and Maritime Services has awarded the construction contract for Narellan Road upgrade stage 1 from the Hume Motorway to the TAFE/University of Western Sydney campus access road at Campbelltown campus with work expected to start in July.

Roads and Maritime has already completed the detailed design and determined the Review of Environmental Factors so construction is the next step for this project.

The Federal and NSW governments have fully funded this \$114 million project which will reduce congestion and improve safety, travel times and access for road users.

Roads and Maritime has engaged BMD Constructions Pty Ltd to upgrade the 1.6 km of Narellan Road between the Hume Motorway and the access road to the TAFE/University of Western Sydney at Campbelltown. The work includes:

- Upgrading to a six lane divided road, generally three lanes in each direction, with a central median and a three metre wide off-road shared path
- Widening the southbound off ramps from the Hume Motorway to Narellan Road to three lanes
- Upgrading the roundabout at the TAFE/University of Western Sydney access road to dual lanes
- Providing an additional right turn lane into the TAFE/University for eastbound traffic and extending the right turn bay about 180 metres
- Providing dedicated dual left turn lanes and an additional right turn lane onto Narellan Road from the TAFE/University
- Building an Incident Response Facility at the south east corner of the Hume Motorway interchange.

Work is expected to start in **late July 2014**, weather permitting, and be carried out between **Mondays and Fridays** from **8am to 6pm** and on **Saturdays** from **8am to 1pm**. Potentially affected residents and businesses will be advised if any work needs to take place outside these hours.

The community will be kept informed of changes to traffic conditions and the progress of the work throughout the project.

Information about the Narellan Road upgrade is available on the Roads and Maritime website at www.rms.nsw.gov.au/roadprojects

Translating and Interpreting Service

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on **131 450** and ask them to telephone Roads and Maritime Services on 1800 633 332.

Arabic
