BUILDING OUR FUTURE

September 2017

Continuing night work on Narellan Road between Campbelltown and Narellan from Saturday 30 September

The Australian and NSW governments are jointly funding the \$114 million Narellan Road Upgrade between Camden Valley Way, Narellan and Blaxland Road, Campbelltown.

Roads and Maritime Services is delivering this important project to reduce congestion and improve safety and travel times. As part of the project, work is continuing on Narellan Road from the Camden Bypass to the Narellan Road bridge over the M31 Hume Motorway.

This work will include:

- installing and relocating barriers and signage
- road widening and road resurfacing
- asphaltting and line marking newly completed road pavements
- building the shared pedestrian and cyclist path
- construction of a heavy vehicle inspection bay
- installing and upgrading traffic signals
- widening of the existing Narellan Road bridge over the M31 Hume Motorway and construction of the new shared pedestrian/ cyclist bridge
- landscaping

Some of this work will continue to take place at night to minimise impacts on motorists. Night work will be carried out between **8pm** and **5am** from **Saturday 30 September** to **Friday 22 December 2017**, weather permitting. Night work will not be carried out on Sundays or public holidays.

Work will also take place during standard construction hours between **7am** and **6pm** from **Monday to Friday** and between **8am** and **1pm** on **Saturday**.

We have included a map to show the location of our work.

How will the work affect you?

Our work may be noisy and include extra lighting, however we will do everything we can to minimise its impact including completing noisier work earlier in the evening, alternating work locations and directing lights away from residential areas.

Traffic changes

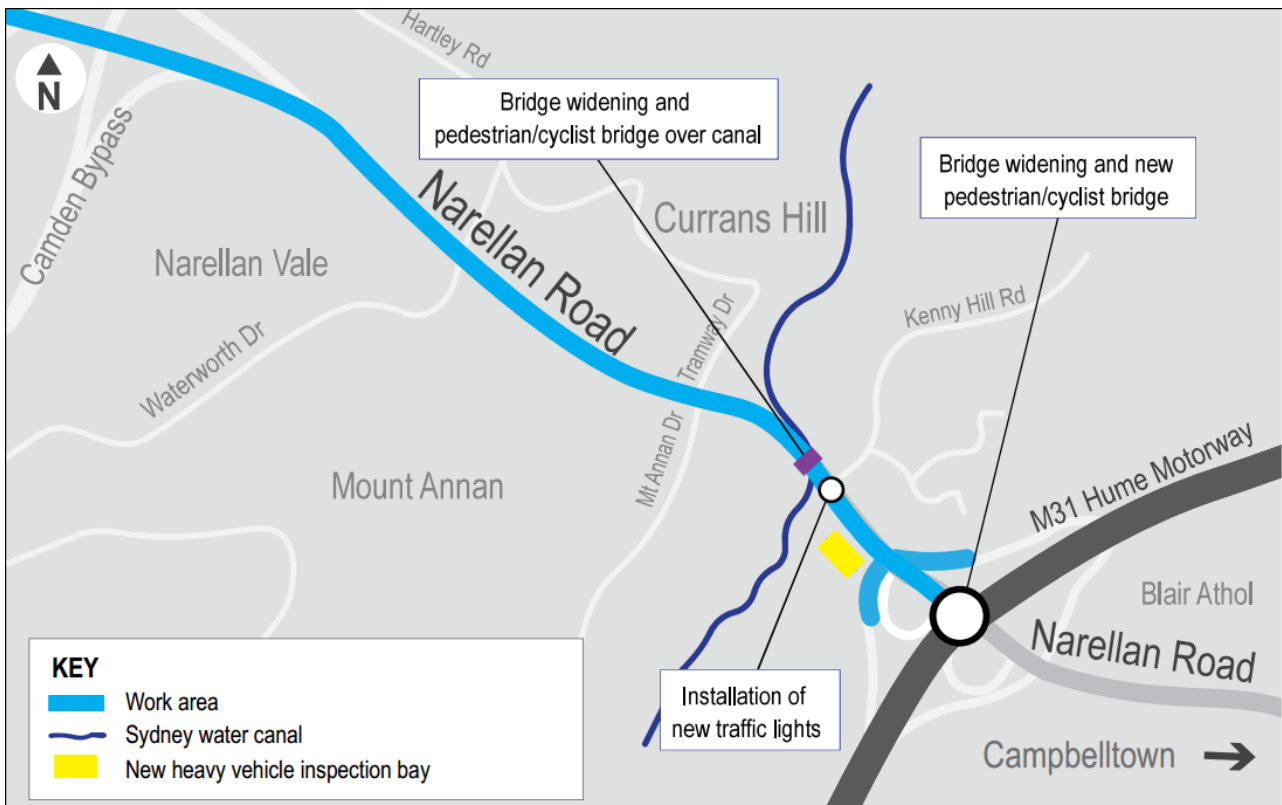

Temporary traffic changes and night time lane closures will be in place to ensure the work zone is safe. Temporary lane closures may affect travel times during night work. On-road cycling routes may also be temporarily affected. Please be aware of pedestrians and cyclists travelling through the work area.

Motorists are asked to take extra care and observe all traffic signs when travelling through work areas.

Please keep to the displayed speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner, Seymour Whyte Constructions, on **1800 720 146** or narellan_community@seymourwhyte.com.au. For more information on our projects, visit www.rms.nsw.gov.au/roadprojects. Thank you for your patience during this important work.
