BUILDING OUR FUTURE

November 2017

Night work on Narellan Road and M31 Hume Motorway interchange, Currans Hill from Saturday 2 December 2017

The Australian and NSW governments are funding the Narellan Road Upgrade between Camden Valley Way, Narellan and Blaxland Road, Campbelltown.

Roads and Maritime Services is delivering this important project to reduce congestion and to improve safety and travel times. As part of this upgrade, the Narellan Road Bridge over the M31 Hume Motorway is being widened.

Some of the bridge widening work will take place at night between **8pm, Saturday 2 December** and **9am, Sunday 3 December 2017**, weather permitting. During this work, temporary detours will be in place.

We have included a map to show the detours and location of the work.

How will the work affect you?

Our work may be noisy and include extra lighting, however we will make every effort to minimise the impact on residents including completing noisier work earlier in the night and directing lights away.

Traffic changes

Heavy vehicles will not be able to turn right onto Narellan Road eastbound from the M31 Hume Motorway northbound off-ramp and will be detoured via Camden Valley Way, Anderson Parade, Anzac Avenue and Hartley Road.

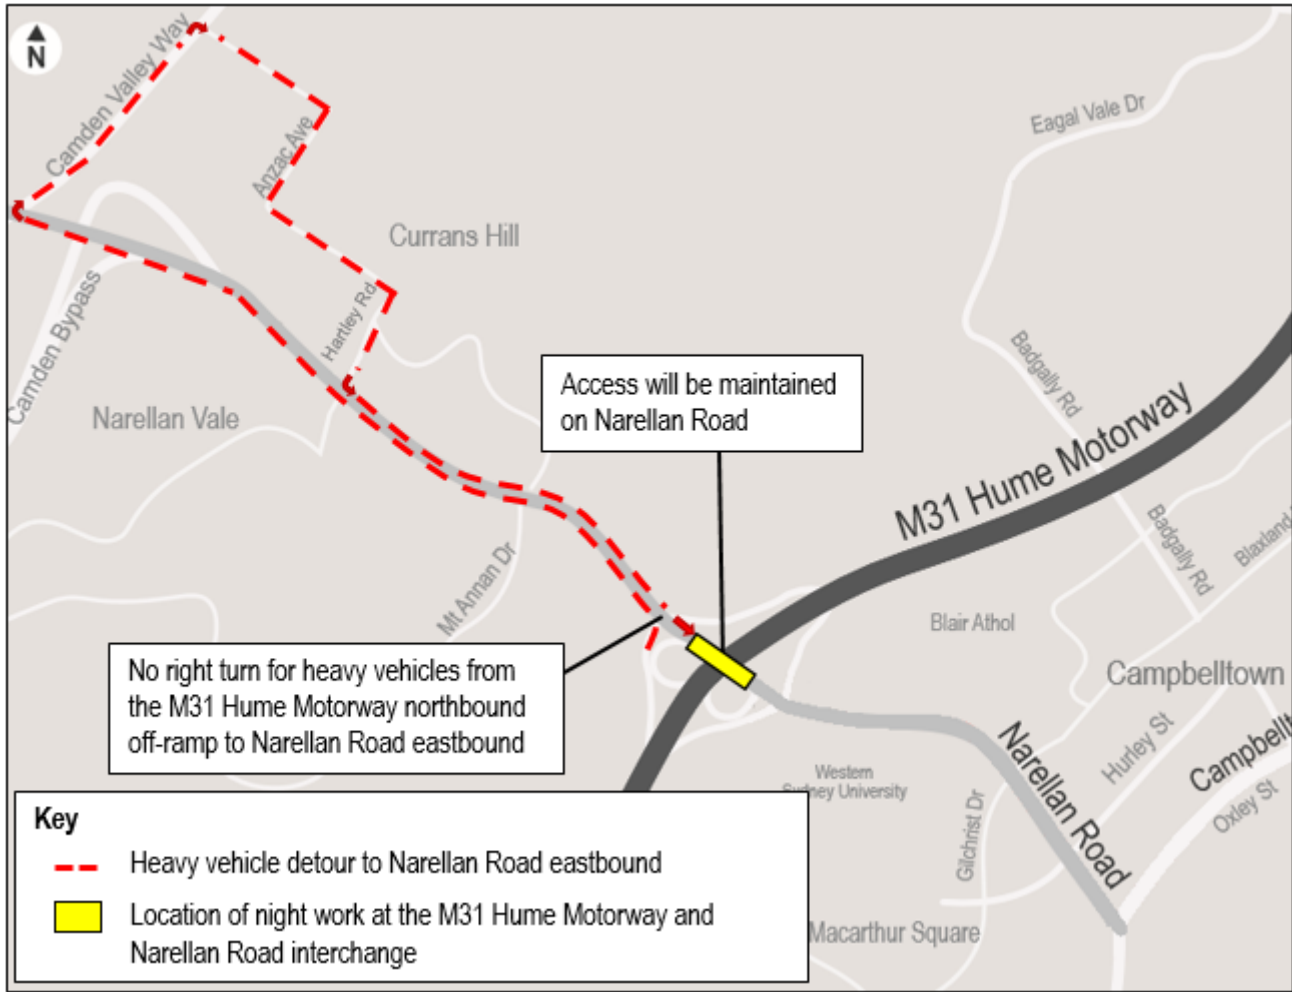

For safety reasons, a reduced speed limit of 40 kilometres per hour will be in place on Narellan Road while work takes place. These traffic changes may cause some delays and motorists are advised to allow extra travel time.

Please keep to the displayed speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner, Seymour Whyte Constructions, on **1800 720 146** or narellan_community@seymourwhyte.com.au. For more information on our projects, visit www.rms.nsw.gov.au/roadprojects. Thank you for your patience during this important work.
