**BUILDING OUR FUTURE**

December 2017

## **Night work at the Narellan Road and M31 Hume Motorway interchange, Currans Hill on Saturday 9 December**

### **The Australian and NSW governments are jointly funding the Narellan Road Upgrade between Camden Valley Way, Narellan and Blaxland Road, Campbelltown.**

Roads and Maritime Services is delivering this important project to reduce congestion and to improve safety and travel times. As part of this upgrade, new beams will be installed on the Narellan Road pedestrian bridge over the M31 Hume Motorway. During this work temporary detours will be in place.

Work will take place at night between **8pm, Saturday 9 December to 9am, Sunday 10 December 2017**, weather permitting.

We have included a map to show the location of the work and the detours.

#### **How will the work affect you?**

Our work may be noisy and include extra lighting, however we will do everything we can to minimise its impact including completing noisier work earlier in the evening and directing lights away from residential areas.

#### **Traffic changes**

For the safety of motorists and workers, temporary traffic changes will be in place.

- The M31 Hume Motorway southbound lanes will be closed from the Campbelltown Road exit to the Narellan Road off ramp. Two detours will be in place, directing heavy vehicles along Campbelltown Road, and light vehicles along Blaxland Road.
- The M31 Hume Motorway northbound lanes will be closed from the Narellan Road exit. Northbound traffic will be detoured off the motorway, across Narellan Road to re-join at the eastbound Narellan Road on-ramp.
- The northbound M31 Hume Motorway on-ramp from Narellan Road westbound will be closed. Motorists heading north from Narellan Road westbound will be detoured via Camden Valley Way.

Access will be maintained for motorists travelling on Narellan Road.

For safety reasons, a reduced speed limit of 40 km/hour will be in place on Narellan Road adjacent to the bridge while work takes place.

These traffic changes may cause some delays and motorists are advised to allow extra travel time.

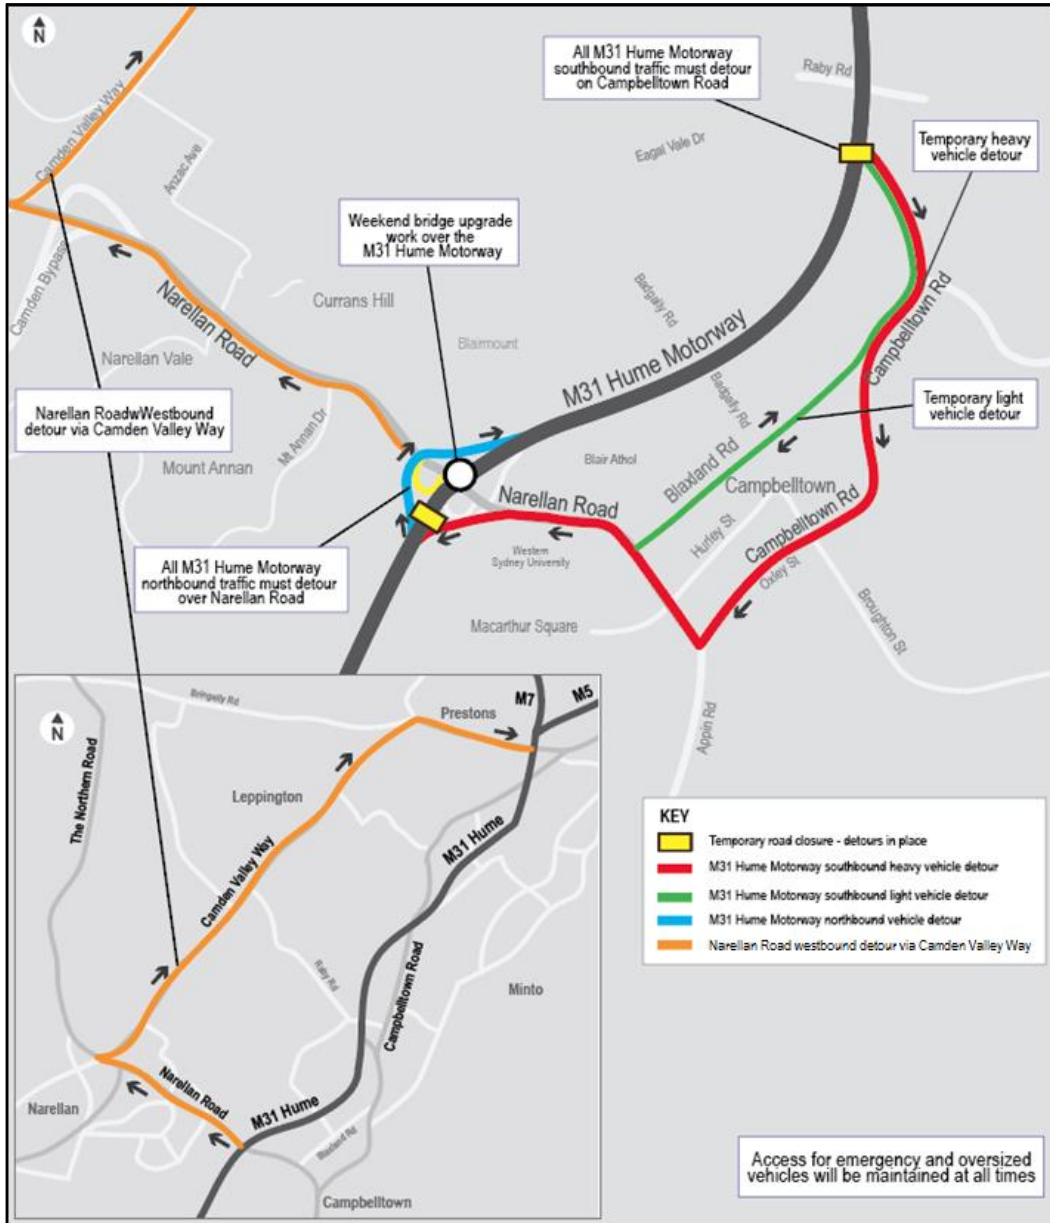

Please keep to the displayed speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
