

Australian Government

BUILDING OUR FUTURE

June 2016

Night work on Narellan Road from the TAFE/Western Sydney University access road to the Blaxland Road and Gilchrist Drive intersection, Campbelltown from 15 June

The Australian and NSW governments are jointly funding the \$114 million Narellan Road Upgrade between Camden Valley Way, Narellan and Blaxland Road, Campbelltown.

Roads and Maritime Services is delivering this important project to reduce congestion and improve safety and travel times. As part of the Narellan Road Upgrade Stage 2 project, work will now start around the Blaxland Road and Gilchrist Drive intersection and will include:

- Upgrading of the Blaxland Road and Gilchrist Drive intersection to increase capacity
- Widening of Narellan Road from two to three lanes in each direction
- Building a shared cyclist and pedestrian path on Narellan Road
- Building two new retaining walls at the Blaxland Road and Gilchrist Drive intersection
- Landscaping work and upgrading utilities

Night work is needed to safely carry out the widening of Narellan Road from two lanes to three in each direction as well as the intersection upgrade at Blaxland Road and Gilchrist Drive.

Preliminary night work is needed to install temporary concrete barriers and signage, identify and relocate utilities and change line marking.

This night work will be carried out over 30 shifts between **Wednesday 15 June** and **Friday 2 September 2016**, weather permitting. Our night work hours will be from **8pm** to **5am**. Night work will not be carried out on weekends or public holidays.

Work will also take place during standard construction hours from **7am** to **6pm Mondays to Fridays** and from **8am** to **1pm on Saturdays**.

We have included a map to help better explain our work.

How will the work affect you?

There will be some noise and additional lighting associated with this night work. We will make every effort to minimise impacts by arranging the work in stages at different locations.

Traffic changes

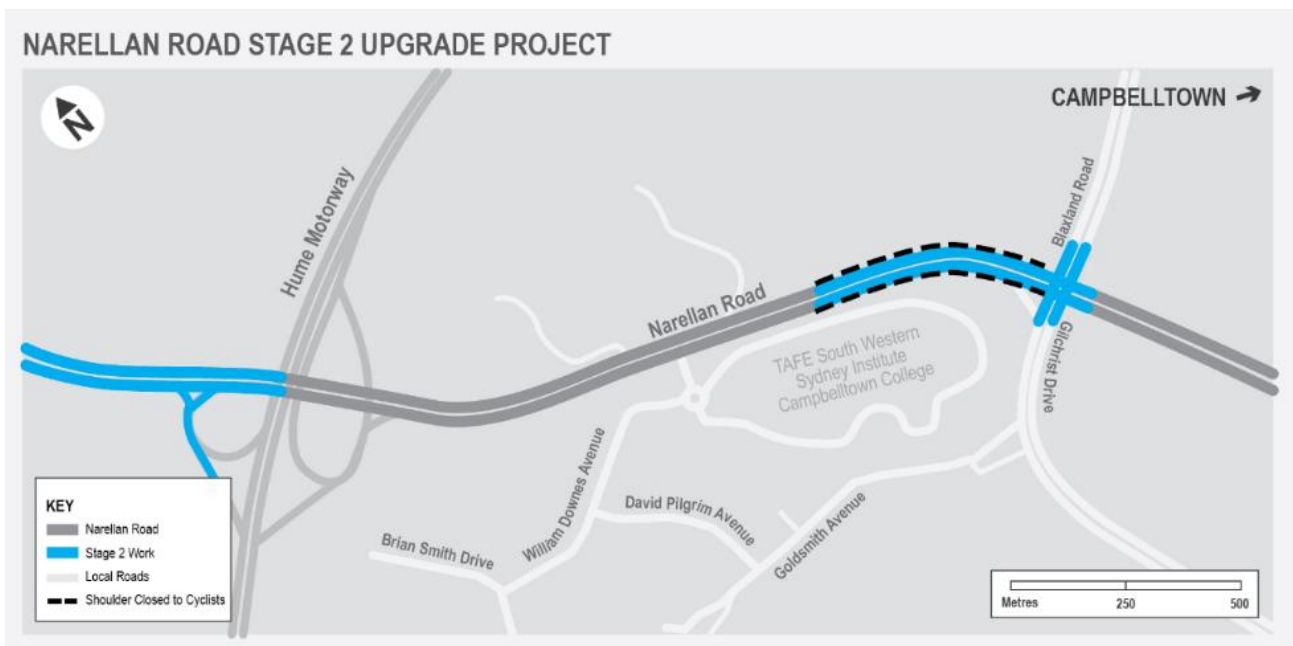

There will be some temporary traffic changes to ensure the work areas are safe. Please be aware of temporary directional signage in place for pedestrians and cyclists travelling through the work area.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please call our delivery partner Seymour Whyte Constructions on **1800 720 146** or email narellan_community@seymourwhyte.com.au. For more information on our projects, visit www.rms.nsw.gov.au/roadprojects.

Thank you for your patience during this important work.
