BUILDING OUR FUTURE

February 2016

Cyclist detour on the Narellan Road Upgrade Stage 2, Mount Annan to Narellan Vale from Saturday 6 February

The Australian and NSW governments are jointly funding the \$114 million Narellan Road Upgrade between Camden Valley Way, Narellan and Blaxland Road, Campbelltown.

Roads and Maritime Services is delivering this important project. Cyclist detours are needed to safely carry out widening on Narellan Road.

The cyclist detour will be between Mount Annan Drive, Mount Annan and Alamein Avenue, Narellan Vale for around 12 months. The detour will add about 6 minutes travelling time. We have included a map to help better explain the detour.

Safety measures for cyclists include:

- Installing reflective directional signage
- Closing the westbound cyclist shoulder on Narellan Road and closing cyclist access from Waterworth Drive onto Narellan Road westbound
- Maintaining vehicle speed limit on the cycle detour route at 50 Km/h

There will be no change to the current cyclist route on the eastbound side of Narellan Road. The detour route was developed in consultation with a local cycling community group and Campbelltown City Council.

How will the work affect you?

Every effort has been made to maintain the safety of all road users. There may be an increase in cyclist movements in the area. We ask that motorists are mindful when travelling alongside cyclists.

Traffic changes

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please call our delivery partner Seymour Whyte Constructions on 1800 720 146 or email Narellan_Community@seymourwhyte.com.au. For more information on our projects, visit www.rms.nsw.gov.au. Thank you for your patience during this important work.
