BUILDING OUR FUTURE

May 2016

Partial lane closure on the Narellan Road southbound exit ramp off the M31 Hume Motorway from Monday 23 May

The Australian and NSW governments are jointly funding the \$114 million Narellan Road Upgrade between Camden Valley Way, Narellan and Blaxland Road, Campbelltown.

Roads and Maritime Services is delivering this important project and will soon begin work to upgrade the M31 Hume Motorway intersection and build the bridge over the M31 Hume Motorway.

This work will require a temporary partial lane closure under the Narellan Road bridge on the M31 Hume Motorway southbound exit ramp for motorists travelling westbound on Narellan Road. The partial lane closure will be in place for around nine months from **Monday 23 May 2016** to **January 2017**, weather permitting.

Work will include:

- Installing barriers and signage
- Line marking
- Removing sections of the existing bridge and road pavement
- Bridge construction and associated pavement work.

How will the work affect you?

There will be some noise associated with this work and we will make every effort to minimise impacts. If work takes place outside of standard construction hours, we will notify impacted residents in advance.

Traffic changes

There will be temporary traffic changes to ensure the work area is safe. Signage will be in place to direct road users around the work.

There may be delays to traffic along Narellan Road due to these changed traffic conditions. Motorists are asked to plan their journey and to allow for extra travel time.

Please keep to the displayed speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please call our delivery partner Seymour Whyte Constructions on **1800 720 146** or email narellan_community@seymourwhyte.com.au. For more information on our projects, visit www.rms.nsw.gov.au/roadprojects.

Thank you for your patience during this important work.
