

Australian Government

BUILDING OUR FUTURE

December 2015

Start of work on Narellan Road Upgrade Stage 2, Narellan to Campbelltown from Monday 7 December 2015

The Australian and NSW governments are jointly funding this \$114 million upgrade from the M31 Hume Motorway to Camden Valley Way and from the TAFE/Western Sydney University access road to Blaxland Road.

Roads and Maritime Services will upgrade Stage 2 of Narellan Road to reduce congestion and improve safety and travel times. The project will be built in three zones. We have included a map showing the three zones to help better explain the project.

The work will include:

- Removing vegetation
- Installing environmental controls to minimise soil erosion and movement
- Relocating utilities and drainage work
- Building site office facilities
- Installing fencing, barriers and line marking.

This work will be carried out from **Mondays to Fridays** between **7am** and **6pm** and **Saturdays** from **8am to 1pm**. We will notify residents if work needs to be done outside these standard construction hours.

How will the work affect you?

There will be some noise associated with this work. We will make every effort to minimise noise by arranging the work in stages at different locations.

Traffic changes

There will be some temporary traffic changes to ensure the work areas are safe.

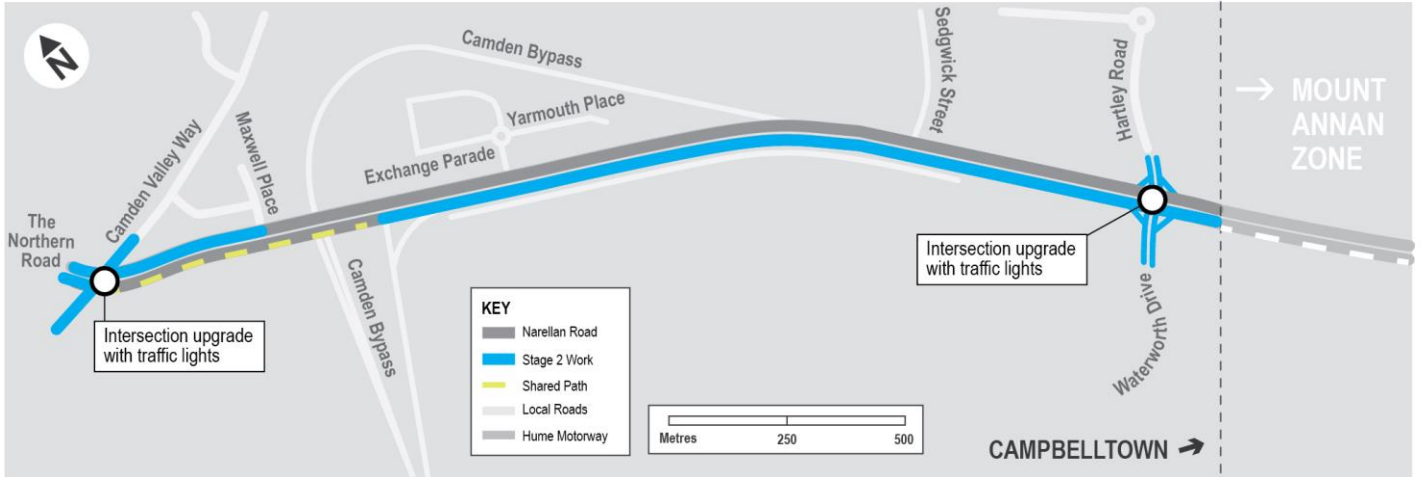

Lane closures will be in place and may affect travel times. On road cycling detours will be in place during parts of the work to maintain cyclist safety. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

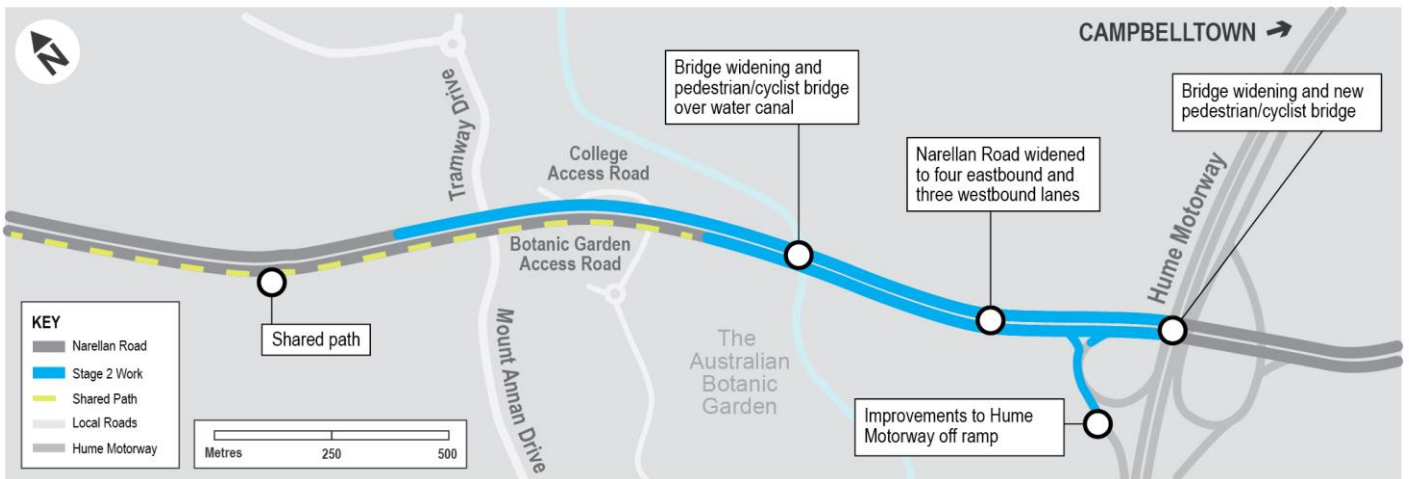

If you have any questions, please call our delivery partner Seymour Whyte Constructions on 1800 720 146 or email Narellan_Community@seymourwhyte.com.au. For more information on our projects, visit www.rms.nsw.gov.au. Thank you for your patience during this important work.
