**BUILDING OUR FUTURE**

March 2017

## **Night work on Narellan Road, from the TAFE/Western Sydney University access road to the Blaxland Road and Gilchrist Drive intersection, Campbelltown, from Monday, 3 April**

**The Australian and NSW governments are jointly funding the \$114 million Narellan Road Upgrade between Camden Valley Way, Narellan, and Blaxland Road, Campbelltown.**

Roads and Maritime Services is delivering this important project to reduce congestion and improve safety and travel times. As part of the project, night work is continuing around the Blaxland Road and Gilchrist Drive intersection. The work will include:

- upgrading the Blaxland Road and Gilchrist Drive intersection to increase capacity
- widening Narellan Road from two to three lanes in each direction
- building a shared cyclist and pedestrian path on Narellan Road
- landscaping activities
- upgrading electrical, water, telecommunications and gas utilities.

We have included a map to show the location of the work.

Some of this work will take place at night to minimise impacts on motorists. Night work will be carried out between **8pm** and **5am** from **Monday 3 April** to **Friday 30 June 2017**, weather permitting. Night work will not be carried out on weekends or public holidays.

Work will also take place during standard construction hours between **7am** and **6pm, Monday to Friday** and between **8am** and **1pm** on **Saturday**.

### **How will the work affect you?**

Our work may be noisy and include extra lighting, however we will do everything we can to minimise its impact including completing noisier work earlier in the evening and working at different locations along the road.
