

Australian Government

BUILDING OUR FUTURE

July 2017

Night work on Narellan Road and Camden Valley Way, Narellan from Monday 3 July

The Australian and NSW governments are jointly funding the \$114 million Narellan Road Upgrade between Camden Valley Way, Narellan and Blaxland Road, Campbelltown.

Roads and Maritime Services is delivering this important project to reduce congestion and improve safety and travel times. As part of the project, work is continuing at the intersection of Narellan Road and Camden Valley Way and the intersection of Somerset Avenue and Camden Valley Way, Narellan.

This work will include:

- upgrading the traffic signals and existing footpaths
- installing drainage, fencing, barriers and line marking
- realigning the Doncaster Avenue cul-de-sac
- landscaping.

Work along Narellan Road will also continue to widen footpaths and build new shared pedestrian/cyclist paths.

We have included a map to show the location of the work.

Some of this work will take place at night to minimise impacts on motorists. Night work will be carried out between **8pm** and **5am** from **Monday 3 July** to **Friday 29 September 2017**, weather permitting. Night work will not be carried out on weekends or public holidays.

Work will also take place during standard construction hours between **7am** and **6pm Monday to Friday** and between **8am** and **1pm** on **Saturday**.

How will the work affect you?

Our work may be noisy and include extra lighting, however we will do everything we can to minimise its impact including completing noisier work earlier in the evening, alternating work locations and directing lights away from residential areas.

Traffic changes

Access to existing pedestrian crossings on Narellan Road and Camden Valley Way will be maintained.

Access to the Doncaster Avenue cul-de-sac and parking area will be restricted during the work. Local residents and businesses will be notified in advance about work being carried out near their property. Property access will be maintained at all times.

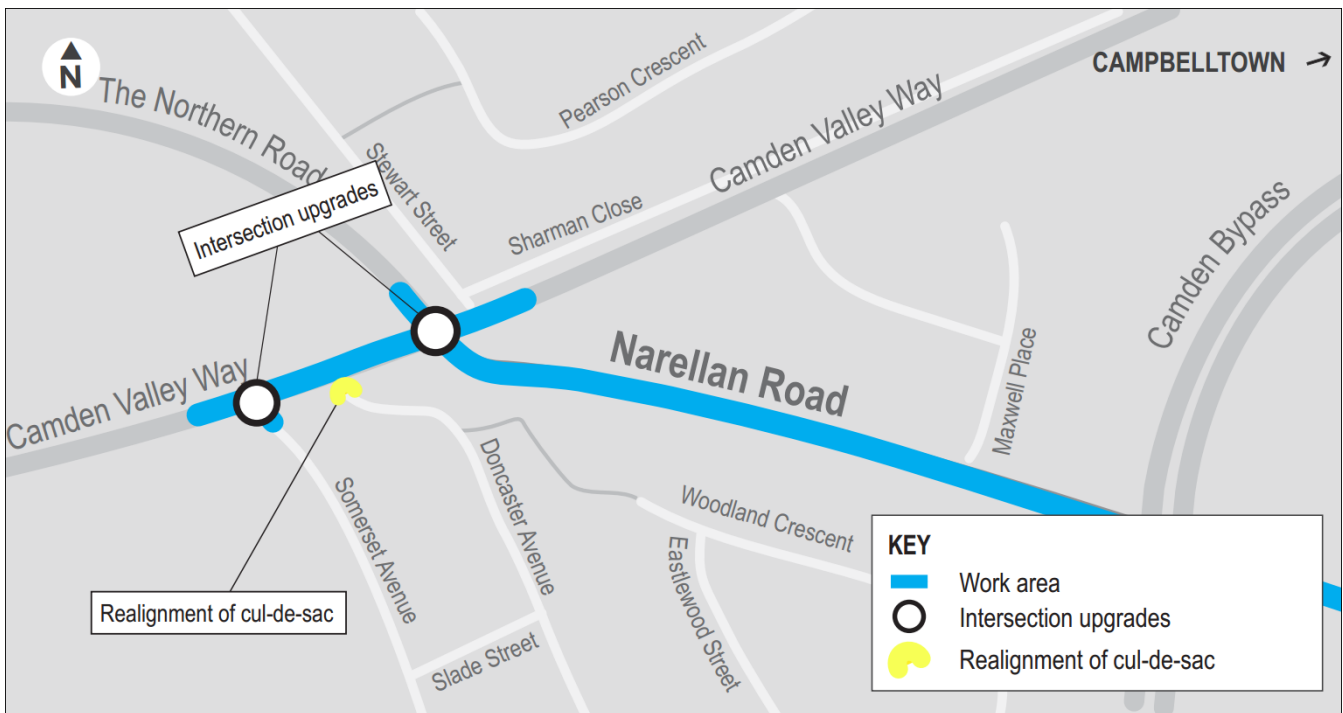

Motorists are asked to take extra care and to observe all traffic signs when travelling through work areas.

Please keep to the displayed speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner, Seymour Whyte Constructions, on **1800 720 146** or narellan_community@seymourwhyte.com.au. For more information on our projects, visit www.rms.nsw.gov.au/roadprojects.

Thank you for your patience during this important work.
