BUILDING OUR FUTURE

January 2017

Night work at the Narellan Road and Camden Valley Way intersection, Narellan from Monday 9 January

The Australian and NSW governments are jointly funding the \$114 million Narellan Road Upgrade between Camden Valley Way, Narellan and Blaxland Road, Campbelltown.

Roads and Maritime Services is delivering this important project to reduce congestion and improve safety and travel times. As part of the project, the intersection at Narellan Road and Camden Valley Way will be upgraded. The work at the intersection includes:

- Upgrading the traffic lights
- Removing vegetation
- Relocating underground electrical, water, telecommunications and gas utilities
- Installing drainage, fencing, barriers and line marking
- Realigning the Doncaster Avenue cul-de-sac.

Some of this work will continue to be carried out at night to minimise impacts on motorists. Night work will be carried out between **Monday 9 January** and **Friday 31 March 2017**, weather permitting. Our night work hours will be from **8pm to 5am**. Night work will not be carried out on weekends or public holidays.

Work will also take place during standard construction hours from **7am to 6pm Mondays to Fridays** and from **8am to 1pm on Saturdays**.

How will the work affect you?

There will be some noise and additional lighting associated with this night work. We will make every effort to minimise noise and light by arranging the work in stages at different locations.

Access to existing pedestrian crossings on Narellan Road and Camden Valley Way will be maintained.

Access to the Doncaster Avenue cul-de-sac and parking area will be restricted during the work. Local residents and businesses will be notified in advance about work being carried out near their property. Property access will be maintained at all times.

Traffic changes

Motorists are asked to take extra care and to observe all traffic signs when travelling through work areas.

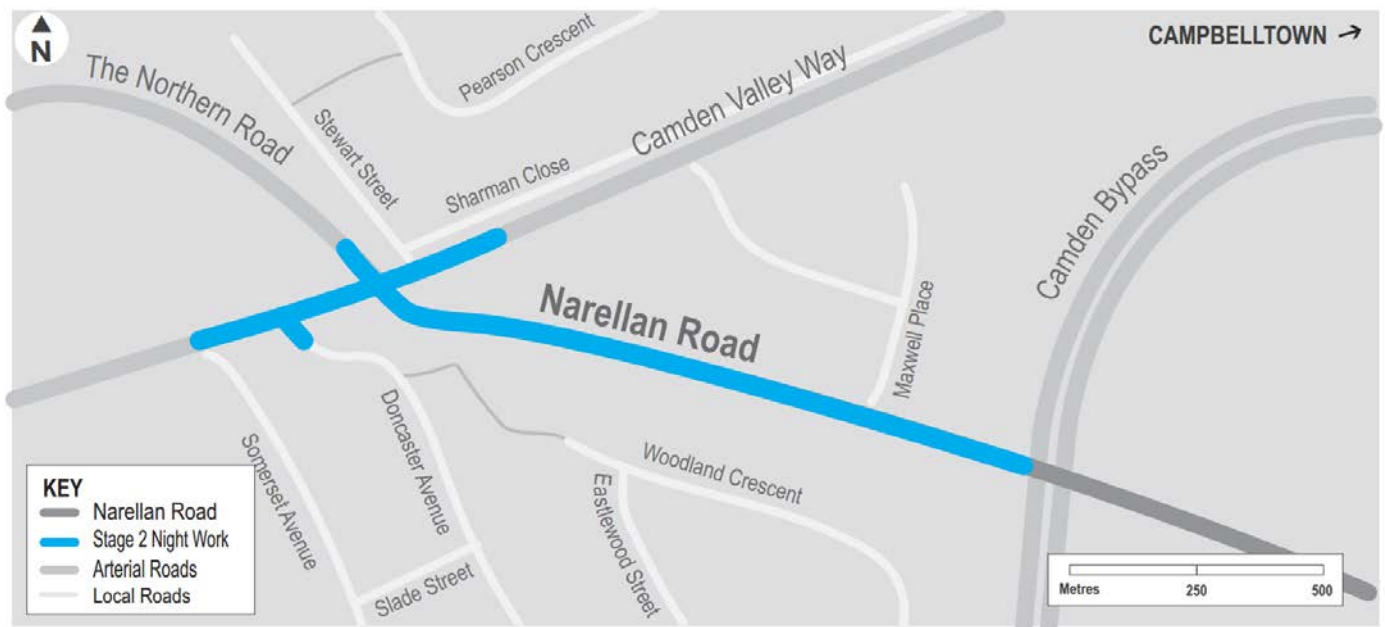

Please keep to the displayed speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please call our delivery partner Seymour Whyte Constructions on **1800 720 146** or email narellan_community@seymourwhyte.com.au. For more information on our projects, visit www.rms.nsw.gov.au/roadprojects.

Thank you for your patience during this important work.
