BUILDING OUR FUTURE

September 2017

Night work at the intersection of Narellan Road and Camden Valley Way, Narellan from Friday 29 September

The Australian and NSW governments are jointly funding the \$114 million Narellan Road Upgrade between Camden Valley Way, Narellan and Blaxland Road, Campbelltown.

Roads and Maritime Services continues to deliver this important project to reduce congestion and improve safety and travel times. As part of this project, asphaltting will be carried out at the intersection of Camden Valley Way and Narellan Road, Narellan.

Work will take place at night between **10pm, Friday 29 September to 7am, Saturday 30 September**, and **10pm, Friday 13 October to 7am, Saturday 14 October**, weather permitting.

We have included a map to show the detours and location of the work.

How will the work affect you?

Our work may be noisy and include extra lighting, however we will make every effort to minimise the impact on residents including completing noisier work earlier in the evening and directing light away.

Traffic changes

For the safety of motorists and workers, temporary traffic changes will be in place.

- On **Friday 29 and Saturday 30 September**, motorists will not be able to travel **northbound** on Camden Valley Way at the intersection of Narellan Road with detours in place via Narellan Road, Hartley Road, Anzac Avenue and Anderson Road.
- On **Friday 13 and Saturday 14 October**, motorists will not be able to travel **southbound** on Camden Valley Way at the intersection of Narellan Road with detours in place via Narellan Road and The Old Northern Road.

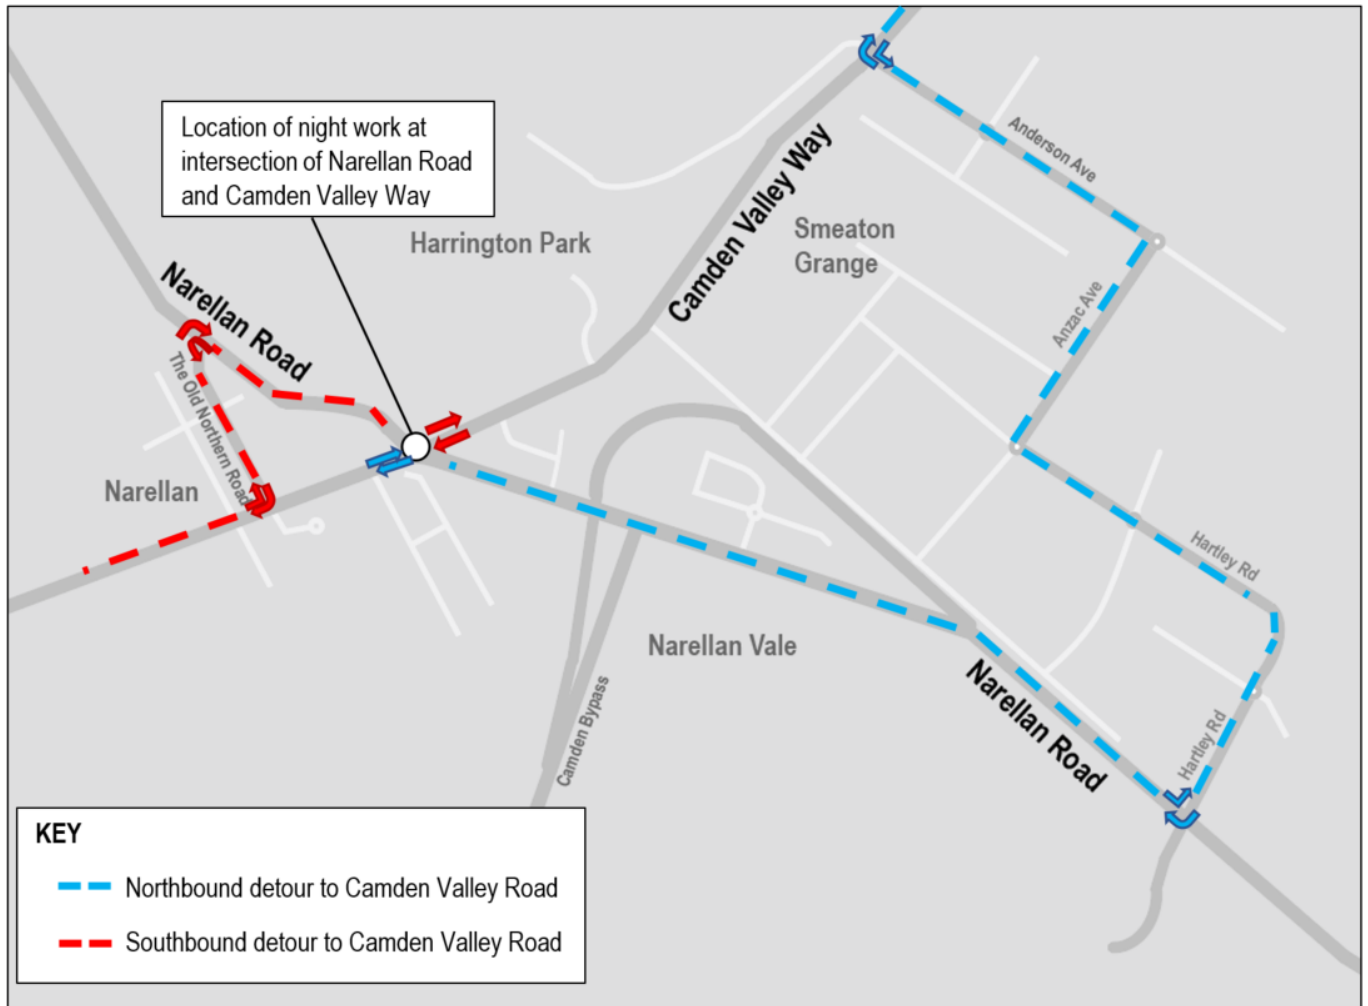

Temporary lane closures will affect travel times during night work. Motorists are asked to take extra care and observe all traffic signs when travelling through work areas.

Please keep to the displayed speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
