

Campbelltown Road field investigations

Transport
Roads & Maritime
Services

FEBRUARY 2015

Services field investigations night work, Camden Valley Way to Beech Road, from 16 February

This work is part of the NSW Government's proposed future 5.4 kilometre future upgrade of Campbelltown Road, between Camden Valley Way, Casula and Brooks Road, Denham Court.

To progress the design work for the upgrade, Roads and Maritime Services will carry out investigations to identify services at night along Campbelltown Road from **Camden Valley Way to Beech Road**.

The work will be done from **8pm to 5am** between **Monday 16 February and Friday 16 March**, weather permitting, **excluding Saturdays and Sundays**.

Changed traffic conditions

Some lane closures will be needed while work is carried out to ensure the safety of road users and workers. Road users are asked to follow the direction of traffic controllers, adhere to reduced speed limits and follow traffic signs. There may be minor traffic delays as a result of this work.

To minimise any noise or other impacts associated with this work we will:

- Shroud noisy equipment such as generators
- Ensure that lighting is directed away from residences, where possible.

We apologise for any inconvenience this work may cause and appreciate the patience of residents and road users.

For further information about this work please contact Roads and Maritime's Project Manager Nanthini Easwaran on 9352 9545 during business hours or email Nanthini.Easwaran@rms.nsw.gov.au

Outside business hours, or for more information on scheduled road work, visit www.livetraffic.com or download the Live Traffic NSW application or call 132 701.

Intersection work on Campbelltown Road.

UrbanGrowth NSW's work on the temporary intersection and Soldiers Parade is nearly complete. Both the temporary intersection and Soldiers Parade, which provides access to the new Edmondson Park Railway Station, will open in early 2015. For more information on the UrbanGrowth NSW work you can contact 02 9841 8763.
