

## Field investigations on Campbelltown Road, Casula to Denham Court from Monday 13 July

**The NSW Government is funding the Campbelltown Road Upgrade between Camden Valley Way, Casula and Brooks Road, Denham Court to improve road safety and increase traffic capacity.**

To progress detailed design of the upgrade, Roads and Maritime Services will carry out investigation work between Camden Valley Way and Brooks Road, which includes potholing, surveying and taking photographs to locate existing utilities and drains.

This work will be completed from **Monday 13 July to Friday 7 August**, excluding **Saturdays and Sundays**, weather permitting. Our working hours will be from **7am to 6pm**. There will also be **10** shifts of night work from **8pm** and **5am**.

### How will the work affect you?

We will make every effort to minimise noise by arranging the work in stages at different locations. We will complete the work as quickly as possible to minimise any disruptions.

### Traffic changes

There will be some temporary traffic changes to make sure the work zone is safe.

Lane closures will be in place during night work and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
