

# Intersection improvements at Canterbury Road and New Canterbury Road, Dulwich Hill

## Project update

Roads and Maritime Services | November 2018

Location of work on Canterbury and New Canterbury Road, Dulwich Hill and Hurlstone Park

The NSW Government is investing in easing congestion and improving travel time on Sydney's key corridors.

High volumes of traffic currently travel through the Canterbury Road and New Canterbury Road intersection at Dulwich Hill and Hurlstone Park.

This project aims to reduce waiting times for vehicles turning right from Canterbury Road onto New Canterbury Road.

### Key benefits

- Improve traffic flow at the intersection
- Improve road safety and help reduce the number of crashes
- Ease congestion and improve travel time reliability.

### Work to date

Since work started in June 2018 we have:

- Installed signs and barriers
- Completed surveying activities
- Started moving utilities and services.

## What's happening next?

- Night work will continue along Canterbury Road and New Canterbury Road
- Demolition of existing footpaths and kerbs to allow for moving underground services
- Adjustment of traffic lights and construction of new kerb, road surface and a pedestrian crossing
- New lines will also be painted on the road.

## Our work schedule

Between **November 2018** and **April 2019** we will be working **five nights** and **six days a week**, weather permitting.

Our standard night work hours for general work will be between **8pm** and **5am** from **Sunday** to **Thursday**.

Our day work hours will be between **7am** and **6pm** from **Monday** to **Friday** and between **8am** and **1pm** on **Saturday**.

We will not be working on public holidays or across Christmas and New Year from **Monday, 24 December 2018 to Tuesday, 8 January 2019**.

## How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, and complete the noisier activities by midnight.

## Traffic changes and lane closures

There will be temporary traffic changes during our work to ensure the work zone is safe.

Lane closures and speed reductions will be in place for **one weekend between November and December and two weekends in January**.

During these weekends only the working hours will be from **6pm Friday** to **6am Monday**.

Traffic management and signs will be in place to assist motorists with the changed conditions.

Pedestrian access will be maintained at all times, although temporary detours may be in place.

Please keep to speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Contact

If you have any questions, please contact our delivery partner, Downer Group, on 1800 931 779 or [ESC.RMS.Canterbury@Downergroup.com](mailto:ESC.RMS.Canterbury@Downergroup.com).

For more information on our projects, visit [rms.nsw.gov.au](http://rms.nsw.gov.au). Thank you for your patience during this important work.
