Transport for NSW

King Georges and Canterbury Road, Wiley Park

Project update | February 2021

The Australian and NSW Governments are upgrading the intersection of King Georges Road and Canterbury Road at Wiley Park to reduce congestion and improve safety.

Intersection upgrade

We are upgrading the intersection of King Georges Road and Canterbury Road which is currently operating at capacity during peak periods. Queues of vehicles can exceed the existing right turn bays, blocking through traffic.

The project will widen Canterbury Road to provide additional right turn lanes on to King Georges Road in both directions. This will improve traffic flow, reduce congestion and improve safety.

To ensure we protect public health and safety during the Coronavirus outbreak, we need to change the way we consult with the community. We will continue to respond to any questions or concerns you may have about our work.

Out of Hours Work

Transport for NSW expects the work to be completed by **August 2022**.

From February to April 2021, our night work hours will be between **8pm and 5am** from **Sunday to Thursday**. Our day work hours are from **7am to 6pm, Monday to Friday**, and **8am to 1pm** on **Saturdays**. We will not be working on public holidays.

Traffic changes will be in place when work is underway. Please observe traffic signs and traffic controllers' directions. For the latest traffic updates, you can call **132 701**, visit **livetraffic.com** or check the Live Traffic NSW App

What we are doing

The first stage of this project work includes:

- site establishment
- service investigations
- survey work
- setup environmental controls
- tree clearing
- adjusting and configuring traffic islands
- install temporary barriers and devices
- utilities relocation works
- stormwater works
- kerb & gutter works

- pavement works
- line marking works
- upgrading the Wiley Park entrance areas
- landscaping.

How will the work affect you?

Our work will be noisy at times, but we will do everything we can to minimise its impact, including completing the noisier activities by **midnight**.

Stimulus funding

This project is part of a \$240 million investment by Australian and State Governments to fast-track 11 congestion-busting projects as part of the plan to stimulate the economy as it recovers from the COVID-19 pandemic.
