

Proposed alternative business parking along Castle Hill Road for new clearways

Between Old Northern Road, Castle Hill and Pennant Hills Road, West Pennant Hills

Project Update | September 2018

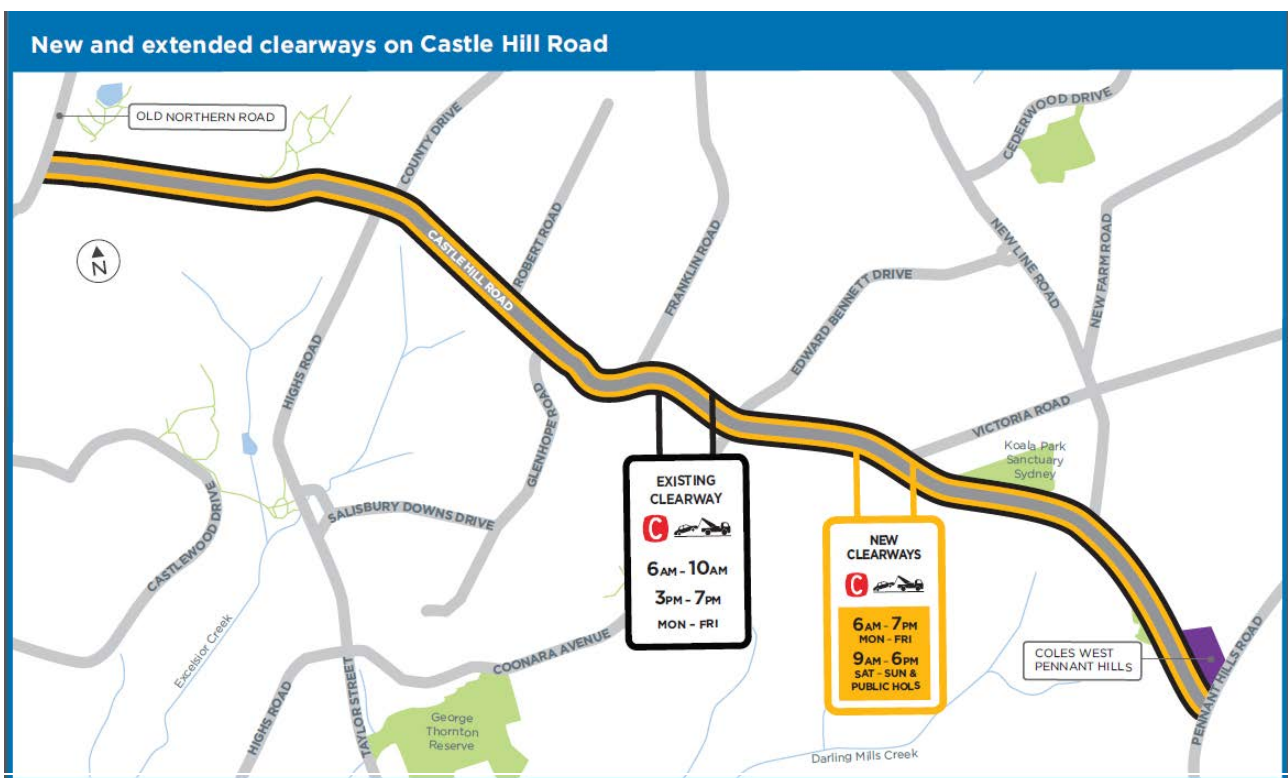

The NSW Government is funding this project as part of its program to reduce congestion and delays on Sydney's roads.

Roads and Maritime Services is proposing new weekend and extended weekday clearways on Castle Hill Road between Old Northern Road, Castle Hill and Pennant Hills Road, West Pennant Hills.

Clearways have an immediate positive impact on traffic flow as existing road space is used for the movement of vehicles. Facilitating the removal of illegally parked cars maximises road space for

traffic movement and improves the efficiency of intersections along the corridor as all lanes are used.

The new weekend and extended weekday clearways on Castle Hill Road will improve journey time reliability for the 42,000 motorists travelling on this corridor each weekday, which means less time in traffic and more time doing the things you enjoy.

The new clearway hours will apply in both directions and are shown on the map and below:

	Existing clearways	New clearways
Weekdays	6am – 10am 3pm – 7pm	6am – 7pm
Weekends and public holidays	Nil	9am – 6pm

Business parking arrangements

Whilst there are businesses along this corridor, our investigations found that no parking was observed on Castle Hill Road in front of the businesses and that there is sufficient parking available for customers within the premises and in nearby side streets.

What happens next?

We invite your feedback on the clearways and business parking arrangements by **Monday 8 October 2018**. Please send your comments to clearways@rms.nsw.gov.au or call 1300 706 232. We will consider your feedback and update you as the project progresses.

Talk to the clearways team

The Clearways Project Team will be available to discuss the new and extended clearway hours and business parking arrangements on **Thursday 27 September at Coles West Pennant Hills from 4pm to 7pm**. The supermarket is located at **Pennant Hills Road, West Pennant Hills** (see map for location).

As a resident or visitor, what does this mean for me?

The new and extended clearways will change the ability to park or pick up and drop off family, friends and deliveries along Castle Hill Road. If you do not have a driveway, garage or carport on your property, local streets are available for you to park during the clearway hours subject to any council restrictions.

Outside the clearway hours, existing parking restrictions will remain in place. As clearways continue to be rolled out across Sydney, you will experience more efficient, safer, and more reliable journey times. This means less time in the car, and more time doing the things you enjoy.

What is a clearway?

A clearway is a section of road where stopping and parking is not allowed during the times shown on the clearway sign. They help keep vehicles moving by making all lanes available to motorists. The only exception is the stopping of buses and taxis dropping off or picking up passengers as well as emergency vehicles. If you park in a clearway during the clearway hours, you risk being fined and your vehicle can be towed.

To report a vehicle parked in a clearway or if your vehicle has been towed from a clearway, please call the Transport Management Centre on 131 700.

Are there other clearways in my area?

New clearways were installed earlier this year along Showground Road between Windsor Road and Old Northern Road, and Windsor Road between Showground Road and Seven Hills Road.

As clearway investigations progress in this area we will continue to engage with the community on any new projects.
