February 2021

## Changes on Showground Road and Carrington Road, Castle Hill from Monday 8 February

The Australian Government and NSW Governments are taking action to improve the reliability and efficiency of bus services, while easing congestion and improving safety for all road users.

Transport for NSW is upgrading the intersections of Showground Road at Carrington Road and De Clambe Drive and widening Showground Road and Carrington Road to provide extra turning lanes and bus lanes.

Our upcoming work will require the closure a bus stop on Carrington Road and footpaths on Showground and Carrington Road.

### Bus stop closure

From **Monday 8 February**, we will be permanently closing the northbound bus stop ID 215447 on Carrington Road.

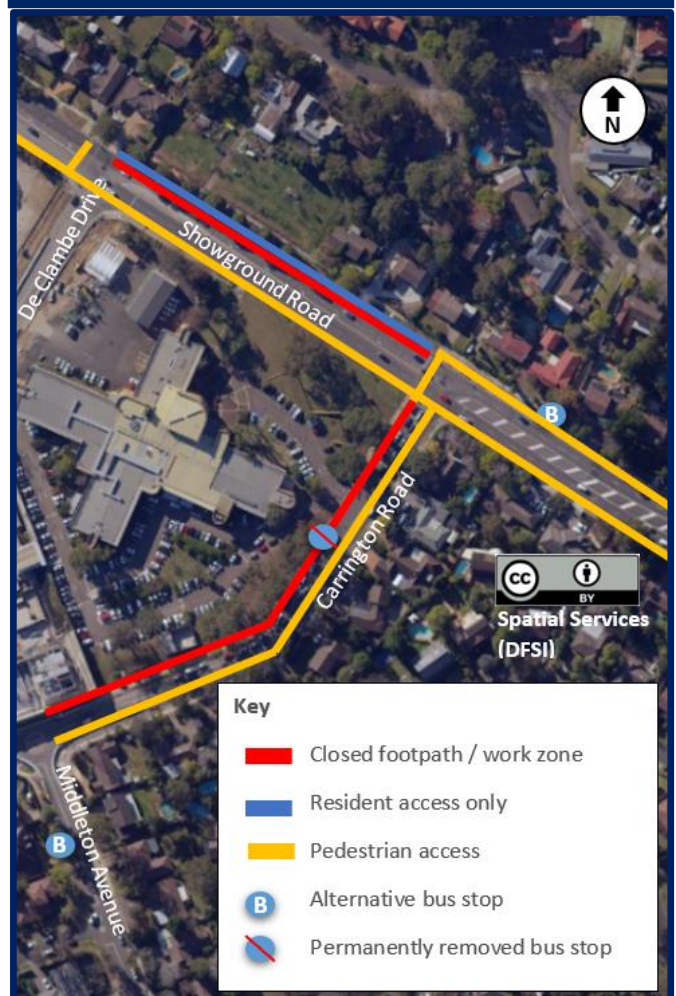

Customers can access the alternate bus stop at Showground Road ID 215417 or the bus stop at Middleton Avenue ID 215453. These alternative bus stops are within reasonable walking distance.

The alternative bus stops are marked on the map.

### Footpath closures

In mid-February we will close the footpaths on the northern side of Showground Road between De Clambe Drive and Carrington Road and on the western side of Carrington Road between Showground Road and Middleton Avenue. These closures are necessary for us to carry out the road and intersection upgrades.
