BUILDING OUR FUTURE

February 2021

Continuing work on Carrington Road and Showground Road, Castle Hill from Monday 1 March

The Australian Government and NSW Governments are taking action to improve the reliability and efficiency of bus services, while easing congestion and improving safety for all road users.

Transport for NSW is upgrading the intersections of Showground Road at Carrington Road and De Clambe Drive and widening Showground Road and Carrington Road to provide extra turning lanes and bus lanes.

Our work will involve:

- relocating utilities including Telstra, NBN, Optus, Jemena Gas, electrical and Sydney Water
- installing traffic controls such as barriers, signs and temporary line marking along Showground Road and Carrington Road
- installing a new storm water drainage system along Showground Road and Carrington Road
- widening Showground Road and Carrington Road
- constructing footpaths and new medians
- asphaltting the road
- temporarily relocating two bus stops on Showground Road for about four weeks from **1 May**.

Thank you for your patience during this important work.

How will the work affect you?

Some of our work will occur during the day, however, we will need to carry out most of this work at night to minimise impact on traffic and to ensure the safety of our workers.

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing noisier activities by midnight.

Traffic changes

There will be temporary traffic changes during our work hours for the widening works to commence and ensure the work zone is safe. Please keep to speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
