

August 2022

Start of work on realignment of Brisbane and Darling Street Intersection, Dubbo from Monday 1 August 2022

Together, the Australian Government and the New South Wales Government are jointly funding the \$220.2 million in the New Dubbo Bridge project to reduce traffic congestion in Dubbo and enhance access across the Macquarie River during flood events.

Part of the project includes the realignment and reconstruction of the northern end of Darling Street, moving it to intersect with Brisbane instead of River Street. Work on this part of the project will commence on Monday 1 August 2022 and is expected to take around five months to complete, weather permitting.

The new intersection is one of three early works packages to support construction of the New Dubbo Bridge. The work will include earthworks, construction of new road pavement, drainage works, minor adjustments to property fencing, and installation of signage and safety barriers.

We have included a map to show the location of the works.

How will the work affect you?

We will be working **between 7am and 6pm from Monday to Friday** and on **Saturdays between 7am and 1pm**. We will let you know in advance if we need to do any work outside these times.

We will continue to notify affected residents and stakeholders on progress of the works.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures and reduced speed limits will be in place during work hours and may affect travel times. Motorists should allow up to five minutes extra travel time during this work.

Access to the northern end of Darling Street (at the intersection with River Street) will be closed off with a detour in place. We will provide further details to the local community in the coming weeks on the changed traffic conditions.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact Dubbo Projects on 1800 803 818 or dubboprojects@transport.nsw.gov.au. For more information on our projects, visit nswroads.work/dubbo.

Thank you for your patience during this important work.
