

Foxground and Berry bypass

BERRY NORTH ENTRANCEWAY

JULY 2014

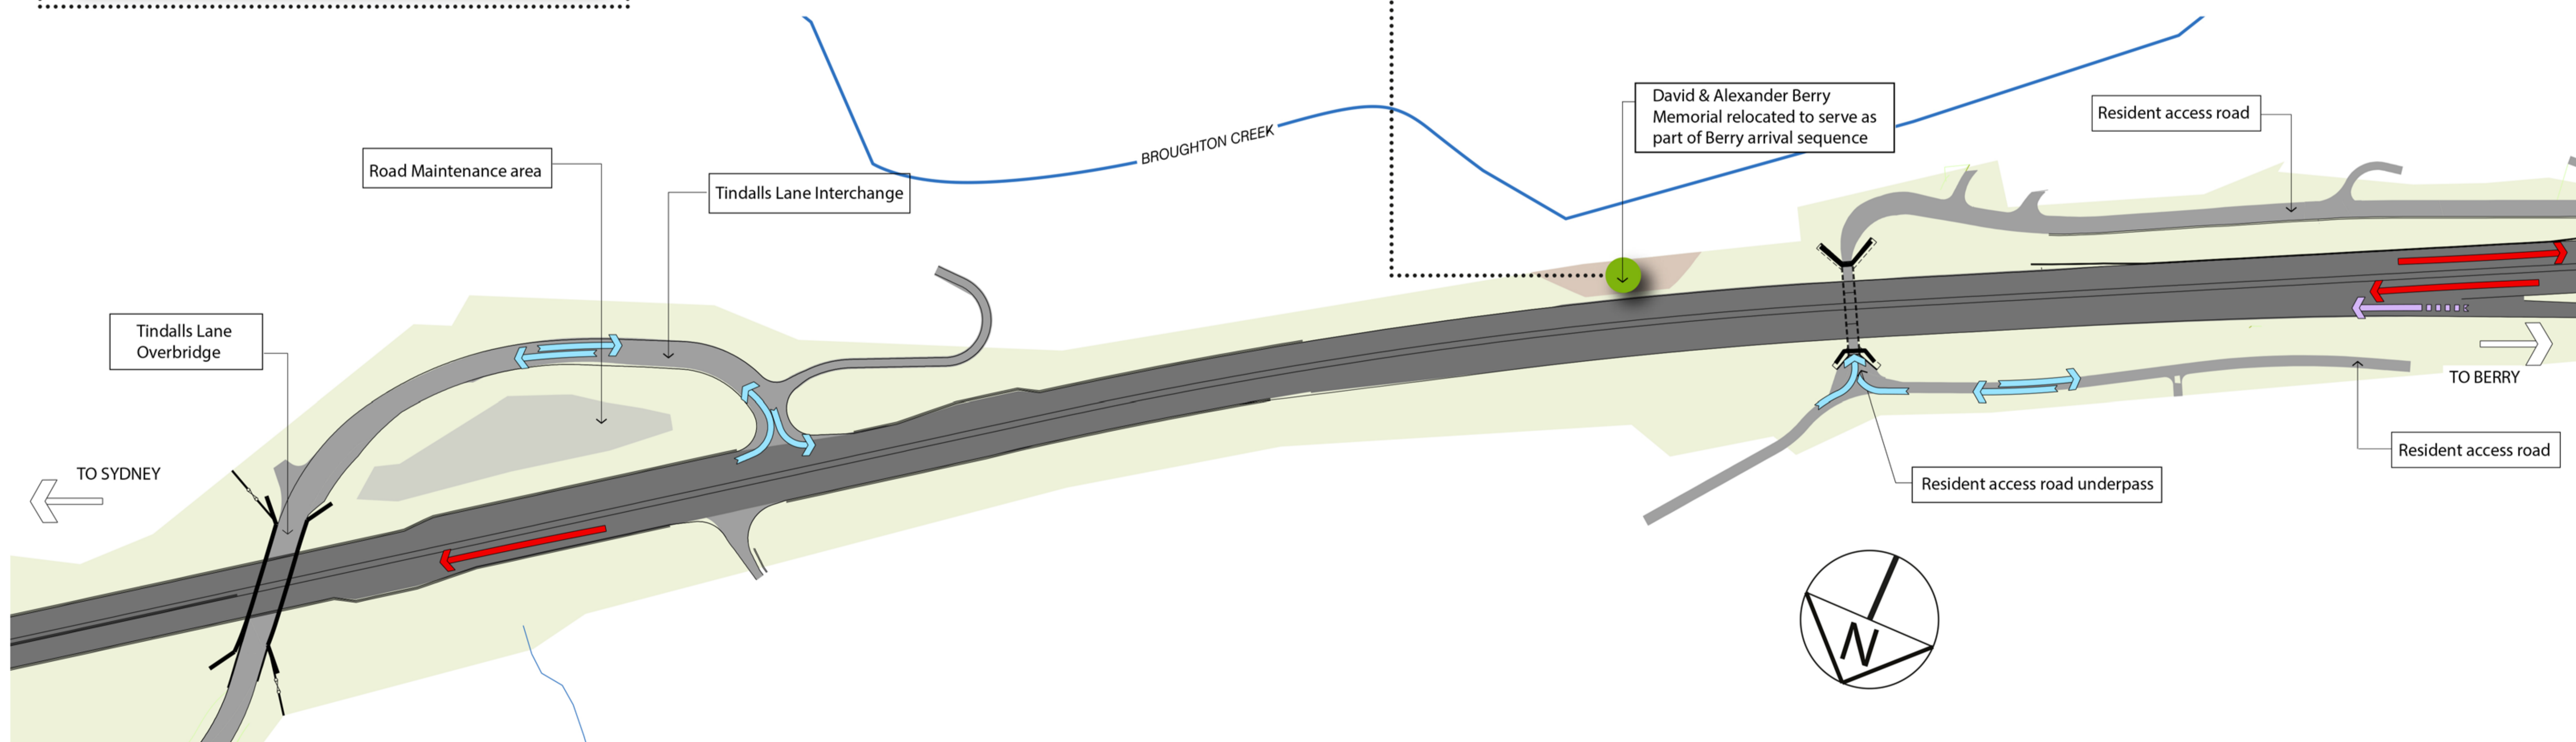

It is planned to relocate the existing David and Alexander Berry Memorial to the north of the Berry interchange to act as the northern entry statement as a key feature of the arrival sequence to the town.

It is proposed that the Berry Memorial will be located within a landscaped open setting adjacent to the southbound carriageway in a section of the bypass which is located on the eastern edge of the ridge and defined by existing vegetation.

An alternate location for the memorial at Woodhill Mountain Road roundabout was considered.

The final location of the Memorial will be confirmed in consultation with Shoalhaven City Council, the artist and the community.
