

Road work on Galston Road, Hornsby Heights and Galston from Sunday 18 October

The NSW Government is carrying out this essential work as part of ongoing maintenance of the State road network.

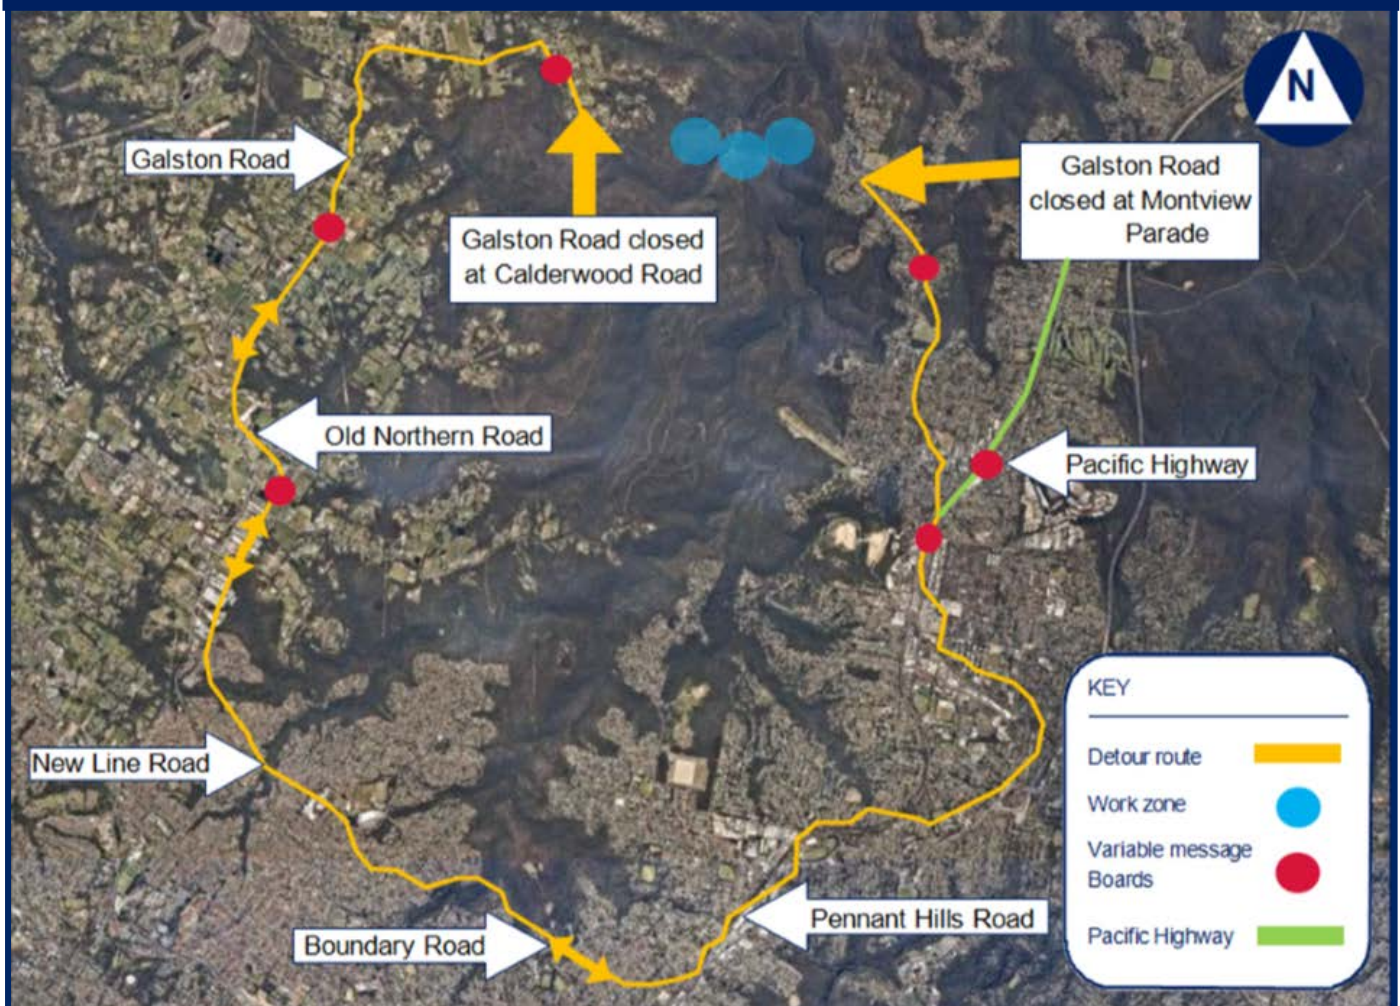

Transport for NSW will upgrade and replace nine drains and clean and stabilise four embankments on Galston Road, between Hornsby Heights and Galston.

Our maintenance work aims to:

- prevent or minimise damage to roads from weather and wear and tear
- increase safety
- reduce maintenance costs.

There will be single and full lane closures required during this project on Galston Road. The map below shows the detour route during the full road closures. See page overleaf for more traffic information.

Upcoming detour for work on Galston Road, Hornsby Heights and Galston

Our work schedule

We will be on site for up to **45 night shifts** and **10 day shifts** from **Sunday 18 October to Friday 18 December**, weather permitting.

We will be working up to five nights a week and we will not work on public holidays.

Our night work hours will be between **8pm** and **5am** from **Sunday to Thursday**. Our day work hours will be **7am** to **6pm** from **Monday to Friday** and **8am** to **1pm Saturday**.

Contact

If you have any questions, please contact our delivery partner, DM Roads on **1800 332 660**, or **nsw_projects@dmroads.com.au**.

For more information on our projects, visit **rms.nsw.gov.au**.

Thank you for your patience during this important work.

How will the work affect you?

Most of our work needs to be carried out at night to minimise traffic disruption and reduce safety risks to the workers and motorists.

It may be noisy at times, but we will do everything we can to minimise its impact, including completing the noisier tasks by **midnight**. However, many of the worksites are located at a significant distance from residential receivers and we will work at only a few locations at a time.

Traffic changes

Single and full lane closures will be required during some of our work on Galston Road between Calderwood Road, Galston and Montview Parade, Hornsby Heights.

The following traffic changes will be in place between **Sunday 18 October** and **Friday 18 December**:

- **Sunday to Wednesday, 9pm to 5am** – Full road closure
- **Thursday, 8pm to 5am** – Single lane closure with local access maintained in both directions under traffic control
- **Monday to Friday, 10am to 3pm** – Single lane closure with local access maintained in both directions. Only five day time single lane closures will be required.

During the full road closures, road users will be directed to use Old Northern Road, New Line Road, Boundary Road, Pennant Hills Road, the Pacific Highway and George Street. Road users should allow up to 30 minutes additional travel time.

We have included a map to show the location of work and detour route. For specific dates and times of these closures, please check livetraffic.com.au or contact us to sign up for email updates.

Please plan ahead and allow for extra travel time. Please keep to speed limits and follow signs and traffic controllers' directions.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 332 660.
